Ike Endorses Church Relief

NEW YORK (AP)—President Eisenhower has endorsed an eight-million-dollar appeal for the overseas relief program of the National Council of Churches of Christ in the U.S.A.

The fund drive ends March 23 with special services in the Protestant and Eastern Orthodox churches grouped in the council.

A letter from Eisenhower, made public yesterday, said in part: "Through their government, the American people are providing material aid to many suffering inhabitants of the world. But so great is the suffering and so great the need, that it will always be essential for individuals and churches to supplement this aid."

Warren Vote By Senate To Be Soon

WASHINGTON (AP)—Republican leaders looked to the Senate Judiciary Committee today to act without further ado on Earl Warren's nomination to be chief justice of the United States.

Chairman Langer (R-ND) said in advance of the secret committee meeting, however, that two men whose unevaluated charges against Warren he had spread on the record last week had asked to be heard and that he favored letting them testify.

But he said he would leave it up to the committee to decide whether to take further testimony or to act on Warren's nomination.

submitted to the Senate for confirmation by President Eisenhower last Jan. 11. Warren has been serving since last October under an appointment made while Congress was not in session.
