Greer Garson Leaves MGM With Successful Record

By BOB THOMAS
HOLLYWOOD (AP)—"Make a believe is a wonderful thing, and I've loved it. I think it's good to devote 10 or 12 years of one's life to it, but now I want time for other things."
This was the philosophy of Greer Garson, who will end her MGM contract next Monday. She looks back on nearly 15 years with the studio, many of them fairly fabulous.
After first winning attention as Mrs. Chips, she went on to a string of hit pictures. At least four were among the top moneymakers of all time. "Mrs. Miniver" earned a domestic gross of five million, "Random Harvest" and "Adventure"

Safety Group Holds Meeting

PORTLAND (AP)—State-wide traffic courts, more liberal arrest provisions and mandatory chemical tests in drunk driving cases were recommended by the Highway Liableavers Committee of Oregon Citizens here Thursday.
Looking at the problem of highway safety, the nearly 100 delegates concluded that traffic education was needed. They proposed that part of the revenue from their proposed traffic courts, be used to finance it.
At present a policeman must witness an accident to make an arrest on the spot, the committee was told, and it decided the law should be changed to allow probable cause to be the basis for a traffic arrest.
Gov. Patterson and Secretary of State Newberry both spoke in support of the group's objective. Newberry proposed that the state give financial help to schools in setting up mandatory driver training classes.

Islands Go Back To Sultans Rule

COLOMBO, Ceylon (AP)—After less than 14 months as a republic, the Maldivian Islands 300 miles southwest of India's tip are going back to the sultans who ruled them for 835 years.
A vote by the little Indian Ocean state's Assembly to restore sultanate rule over the 93,000 islanders and their 115 square miles of palm-fringed coral atolls was announced here yesterday by the Maldivian Assembly. The British-protected republic had come in Jan. 1, 1953.
The new sultan is Al Amir Mohamed Farid Didi, son of a former sultan-designate who died in 1948 before he took the throne.
The Maldivians' first President, Farid's relative Amin Didi, was deposed and later killed during political unrest attributed to a rice shortage and privileges he granted women of the predominantly Moslem islands. Two other Didis, Amin's cousins, have ruled jointly for several months.

BPW Meeting

Equal rights for women, were discussed by Dorothy Lowell, at the last meeting of the Business and Professional Women's Club. Imogene Boothby, president, urged all of the members to write their congressmen, urging passage of the bill that will give women equal rights with men.
Two skills, "The Ride of Paul Revere," by Isabelle Brinker, Viola Dickson, Vada Schmeck, Rose O'Leary and Ly Smith, and "Sweetheart, Punch and Judy Show," by Imogene Boothby, Nell Stewart, Polly Schroeder and Lillian Otterbein, brought a lot of laughs.
Valentine decorations were arranged on the tables by Lucille Pappenfuss and Ethel Pankey.

Good Reading City Library

The book, "Not As a Stranger," by Morton Thompson, now on the shelves of the city library, tells the story of a man's struggle to become a doctor. The writer carries the theme through childhood, medical school and as a practicing physician. This book is good reading.
Another volume on the medical profession is "Know Your Doctor," by Leo Smoller with Neil Morgan. Demand is great at the library for books on the medical doctor; their work in fiction and fact. The Dr. A. R. Cronin books are all popular, according to Addie Mae Nixon, librarian. Others have been written by Dr. Frank G. Slaughter.
Best sellers at the city library follow:
Fiction—Lord Vanly, Shellabarger; Not as a Stranger, Thompson; The High and the Mighty, Gamm; Beyond This Place, Cronin; Battle Cry, Urin; Time and Time Again, Hilton; The Lady of Arlington, Kane; The Female, Wellman; Gress Delahanty, West; Love is a Bridge, Flood; The Robe, Douglas; The Shadows of the Images, Barrett; Too Late the Phalarope, Paton; Desire, Selinko.
General—The Power of Positive Thinking, Peak; Life is Worth Living, Sheen; Triumph and Tragedy, Churchill; The Age of the Moguls, Holbrook; Lelia, Maurols; The Spirit of St. Louis, Lindbergh; A Man Called Peter, Marshall; Gone With the Windsors, Brody; A Stillness at Appomattox, Catton; The Conquest of Everest, Hunt.

Two Services Mark World Day Prayer

World Day of Prayer will be observed Friday, March 5, first Friday in Lent, at two services, 2 p.m. at the First Christian Church and 7:30 p.m. at the Peace Memorial Church. The evening service is planned this year to permit those to attend who cannot be present for the afternoon service.
It is expected that Mayor Paul Landry will officially proclaim the day as set aside for prayer.
The afternoon service will be under the guidance of the Council of Church Women. The evening service will be arranged by the Klamath Falls Council of Churches.
There will be child care at both services.
Participating, will be thousands of Christians in the United States and in 118 countries around the world.
For centuries women have prayed for a better world, individually and in groups. The regular observance of the day began in 1887. The response was so great, a day was set apart annually, and eventually the first Friday in Lent was chosen. There has been uninterrupted growth in the movement from its inception, and there are now approximately 19,000 observances in the United States alone.
The purpose of the day is to unite all Christians in a bond of prayer and to make an offering for Christian missions at home and abroad.
The program comes from a different country each year. This year the service comes from Sarah Chakko, president of Isabella Thoburn College, Lucknow, India.
