

Worst Storm In 15 Years Hits Chicago

By THE ASSOCIATED PRESS
A blizzard storm spread a belt of deep snow from St. Louis to the Great Lakes Wednesday and left

Chicago buried under a paralyzing 12-inch blanket.
The storm, worst in Chicago in 15 years, left hundreds of cars stalled on the city's lake front drives and side streets and blocked main highways south of the city.
Snow plows worked throughout the night to rescue cars abandoned by motorists and get boulevards cleared for the morning rush hour.
The storm spread eastward and the U. S. Weather Bureau in Chicago issued a special warning of

heavy snow for lower Michigan.
Arctic air chilled the Northern and Central Rockies, the Great Plains, the extreme upper Mississippi Valley and the Northern Great Lakes region. The colder air was spreading eastward into the Midwest.
Laramie, Wyo., reported -16 degrees; Cheyenne, Wyo., -10; Minot, N. D., -9 and Dickinson, N. D., -7.
Sub-zero temperatures also were reported in Colorado, Montana and Nebraska.
Several schools in the Pueblo, Colo., area, were closed Tuesday by heavy snow drifts that blocked side roads. Snow was 18 inches deep in the Beniah and Rye Mountain areas southwest of Pueblo.
Mild weather prevailed in the Atlantic States, along the Gulf Coast and west of the Rockies.

Fight For N.Y. Road Goes To ICC

WASHINGTON (AP)—The New York Central Railroad Wednesday asked the Interstate Commerce Commission to investigate recent activities of Robert R. Young and "his personal and corporate allies" in connection with Young's campaign to seize control of the nation's second largest rail line.
The demand followed an announcement from Allegheny Corp., holding company of which Young is chairman, of the first seven names on the 15-member opposition slate of directors the financier will present at the annual stockholders' meeting in Albany May 26.
The proposed new directors, besides Young and his old-time associate, Allan P. Kirby, include Clinton W. Murchison of Dallas and Sidney W. Richardson of Fort Worth. The Texas millionaires last week bought 800,000 shares of Central stock owned by the Chesapeake and Ohio Railway Co.
Young's renewed fight for control of the New York Central, long a cherished goal of the railroad tycoon, began last month after the road's board of directors rejected his demand that he be seated as chairman. Young expects to win by cornering proxy votes.
New York Central said it had petitioned the ICC to determine: 1. "Whether Allegheny Corp. continues directly or indirectly to control the Chesapeake & Ohio Railway, of which Cyrus S. Eaton has been chairman since January."
2. "Whether C & O's purported sale to Murchison and Richardson of 800,000 shares of Central stock failed to comply with requirements of a trust agreement under an ICC order."
3. "Whether Allegheny has any voting stocks of carrier corporations that should be placed in trust and which have not been so trusted."

Lenten Period Begins Today

NEW YORK (AP)—Lent began today—Ash Wednesday.
The 40-day period, which lasts until the Saturday before Easter, stresses the ideas of penance and self-denial for Christians throughout the world.
Many churches will hold special Lenten services each week throughout the season.
Practices in observing Lent vary with different faiths and individuals, and include such matters as dietary restrictions, special prayers, donations to the needy, or give up drink.
A major event of the first Lenten week will be the "World Day of Prayer" this Friday, in which Protestant and orthodox faiths throughout the world unite in common prayer for peace and abundant living.
Some 20,000 interdenominational services are scheduled in this country—at churches, in factories, colleges, hospitals and other places. The annual observance is sponsored in this country by the National Council of Churches.

Womens Navy Group To Meet

Mrs. Laura Wicker, 800 Adams Lane, Medford, state organizer for Oregon of the Navy Mothers' Clubs of America, will be in Klamath Falls Saturday, March 6.
She plans to hold a meeting at the Winema Hotel at 2 p.m., Saturday, with local interested women. During the business meeting officers will be elected and plans made for installation later in March.

Gable Leaves MGM; Free Lancer Now

HOLLYWOOD (AP)—After 23 years with MGM studio, Clark Gable is leaving to become a free lance.
The studio's \$300,000-a-year star announced yesterday that he is exercising his right to end his long-term contract, saying that he intends to avail himself of opportunities elsewhere.
A spokesman for the 53-year-old Gable said his last seven-year contract expired two months ago.
Gable has a number of pictures in mind but has no thought of engaging in television or independent movie production, the spokesman said.

Rites Held For Dunsmuir Woman

DUNSMUIR—Final rites for Mrs. Myrtle Emma Moore, 64, a lifetime resident of the Dunsmuir area, were held Friday in St. Barnabas Episcopal Church in Dunsmuir with the Rev. Thomas of Ashland, Oregon, officiating. Interment was in the family plot in the Dunsmuir Cemetery. The Litwiler Funeral Home was in charge.
Mrs. Moore, a native of Mott, Siskiyou County, died Wednesday in a rest home in Ashland, where she had been confined for 14 months.
Her parents, Josephine and William M. Lee, were among the first settlers in Dunsmuir, moving here when the Southern Pacific railroad roundhouse was first built. Her husband, Richard A. Moore, a locomotive engineer, died in 1939.
Mrs. Moore was a member of Dunsmuir Chapter No. 536, Order of the Eastern Star.
She is survived by her daughter, Mrs. Audrey McLeod of Dunsmuir; son, Richard A. Moore of Seattle; sisters, Mrs. Winnie Long and Mrs. Hazel Peterson, both of Dunsmuir.

Zemo Great For Itchy Skin Rash

LONDON (AP)—Martha Graham, America's high priestess of modern dance, made her first London appearance Monday night and confounded the critics. Most of them admitted they didn't know what it was all about.
Zemo, a doctor's formula, promptly relieves itching of surface skin rashes, eczema, prickly heat, athlete's foot. Zemo stops scratching and so aids faster healing and clearing. Buy Extra Strength Zemo for stubborn cases.

TRIPLETS

TEHRAN, Iran (AP)—Tehran newspapers reported Wednesday that 75-year-old Abdullah Akhbarzadeh died of shock when his young wife gave birth to triplets in the tiny Khorasan village of Tabbas. Two of the triplets also failed to survive.

KEEP YOUR CREDIT GOOD

- 1. Make all payments when promised, or before.
- 2. If sickness or change of job makes payment hard, let your creditor know.
- 3. Don't ignore a disputed claim... talk it over thoroughly with your creditor or his agent.

Warden Ordered To Face Court

PORTLAND (AP)—Clarence T. Gladden, warden of the Oregon State Prison, may be cited for contempt of court, Circuit Judge Frank J. Lonergan indicated Tuesday.
Gladden was ordered to appear in court Tuesday to explain why he had not permitted a convict to testify in a criminal case. The convict, Phillip Wallace, had been subpoenaed as a defense witness for George LeDuke, accused of a Portland jewelry store robbery.
The case will be resumed Thursday.

Thornton Gives Liquor Ruling

SALEM (AP)—If Benton County votes against liquor by the drink while the voters in Corvallis vote for it, then liquor by the drink would be prohibited in Corvallis, Atty. Gen. Robert Y. Thornton ruled Tuesday.
The question was asked by Benton County Dist. Atty. Sidney B. Lewis Jr. He said Benton County will vote on liquor by the drink next November, and that Corvallis citizens group plans to file petitions for a local option election in the city only.
Lewis wanted to know what would happen if both elections were held.
Thornton said that if the county as a whole votes against liquor by the drink, then it would be prohibited in the entire county, regardless of the outcome of the separate Corvallis election.

"IT AUTO GO," might be Dale Drake's sentiment as he sits behind the steering wheel of one of the many new autos on display at the Lions-sponsored Carvalcade last Saturday and Sunday. Dale, 5, is the son of Mr. and Mrs. William Raymond Drake, Balsam Drive. His sister, Cheryl, is 8.

Louis Soukup Buys Ranch

Purchase of the Century Ranch in the Fort Rock-Silver Lake District by Louis Soukup owner and operator of the Soukup Hereford Ranch, at Round Lake, was announced this week.
Located in the Fort Rock area where numerous shallow irrigation wells have been drilled the past two years, the ranch consists of over 15,000 acres, part of it under cultivation and part sagebrush.
Alfalfa, tame pasture and grain have been raised on the land with barley crops averaging 3,500 pounds per acre.
Sagebrush land will be reclaimed and put into irrigated crops as fast as possible, with emphasis on tame pasture and alfalfa, Soukup stated.
The ranch purchased from the Los Angeles owners, was the scene of KASRU and guests spent the day of the Silver Lake district, and were served an outdoor barbecue at the ranch.

Wage Offer Given To Engravers

NEW YORK (AP)—A fact-finding board has recommended that AFL photo-engravers get the same wage offer they rejected in striking six major New York news-weekly "package."
The federal study group split 2-1 on the decision, with AFL President George Meany dissenting.
The ruling is not binding, and possibly could lead to a resumption of the unprecedented strike which shut down all major Manhattan newspapers except the Herald Tribune for 11 days. The Trib suspended publication during part of the strike.
Union comment was not immediately available after the decision was announced last night. It was reported, however, that the union would meet Sunday to study the board's finding.
The union originally demanded a \$15 weekly increase but later reduced the amount to \$7.50. An employer offer to submit the issues to arbitration was rejected.
The strike was halted Dec. 4 when both sides agreed to the fact-finding board. The panel was to determine whether the union should get more than the \$3.75 offered by the publishers and whether the 36 1/2-hour work week should be reduced.
Impartial Chairman Ralph T. Seward, a Washington, D.C., labor attorney, and Richard Blouman, general manager of the Philadelphia Bulletin, held that the offer was sufficient.
Meany contended, however, that the publishers had ignored the equality with commercial and

union's demand for wage and hour findings would lead to stability in graveyards.
The package offer consists of a \$3 weekly pay increase, 50 cents a week representing the value of additional paid holiday time, and 25 cents per week more in employer pension fund contribution.
William Mapel, president of the Publishers Assn. of New York City, representing the newspapers, expressed hope that the board's

CAMERA-CHATTER

"Spring's Not Far!"
By DAL SWIGGER

How is your camera for those soon-to-come spring pictures? Is the lens clean? Does the shutter work properly? Are there any light leaks that cause streaks on your pictures? Any of these and other errors which are common in camera operation can make for some disappointments in recording those cherished pictures of the family. Be sure rather than be sorry that your camera is in proper operating condition. Here are a number of things that you can do to insure better pictures:

1. When the film is out of the camera, open the back, and brush out the inside with a soft brush—for the body parts a clean hog-bristle brush (but don't touch the lens)—and for the lens front and back, wipe softly with a soft linen cloth then brush lightly with a lens (camel hair) brush.
2. Looking through the back of the camera, operate the shutter a number of times to check and see that it is not sticking.
3. If the camera is the folding type with bellows, check your folding mechanism to see that it is operating properly—check your bellows for light leaks by holding the camera near a lighted light bulb and looking inside the camera for leaks.
4. Check your film-wind and see that the film spools fit and turn properly.

If there is anything about the camera which you do not understand, bring it in to Standard Optical and we will check it over for you, no obligation, naturally!
If there are any repairs necessary for the proper operation of your camera, we have rapid, top-quality camera repair service. Remember to have your camera ready now for that picture-taking to come! Drop in and see Dal at
