I just knew we couldn't afford it. Yet Don found, when he got it all down on paper, that our old car would cost us more in the long run than a new 1954 Mercury.

darling, how did you guess?

The very one I wanted! With that thrilling new V-161 engine! With Ball-joint front-suspension that makes cornering so steady! With all the optional power features that make Mercury so easy to drive. And, reportedly, with the highest trade-in value in its price field!
