### Vandals Damage Apartment

Juveniles are believed to have been responsible for the entering of a basement apartment at 833 North 9th, and doing an estimated \$300 to \$500 damage, some time Wednesday afternoon, according to city police. Entrance to the building was made with a pass key or through an unlocked hall door, officers stated. The vandals defaced and scratched most of the furniture and scattered paint through the apartment. The hall upstairs over the ransacked rooms has been used by the Jehovah's Witnesses as a meeting place, the report added.

President of this active organization is Robert Rawlins, who also serves as head chef for the group. Other officers are: Jim Cronin, vice president and Jim Erth, secretary.

**CORRECTION**

Several local programs will be scheduled in addition.
