

Man Killed In Auto Crash

DUNSMUIR — George Walden Lewis, 29, died about 1 a. m. Sunday in Yreka Hospital following an automobile accident which took place about 2:45 Saturday morning.

Lewis was a musician at a tavern south of Dunsmuir on Highway 99, Judge's, where he had been employed for 16 to 18 months. Harold Ritchey, 23, was driving the Lewis car enroute to his home in Weed when the accident occurred.

The car had traveled only a short distance from the tavern when it

apparently went out of control, hit a telephone pole and sheared it off, then plunged down an 80 foot embankment and came to rest on a stump.

The car was totally demolished. Ritchey was uninjured and a third passenger in the Lewis car, Iris Mobley, a Dunsmuir teenager, was treated for minor injuries but was not held at Weed Hospital.

Lewis was taken to Yreka Hospital for treatment where he died of internal injuries less than 24 hours later. He never completely regained consciousness.

The deceased was a native of Chickasha, Oklahoma, and had been a resident of Dunsmuir for two years.

He is survived by his widow, Cordelia; three daughters, Carolyn, 8, Colleen, 6 and Kathy, 7 months; his parents who had arrived Friday for a visit from their home in Earl-inart, California; three sisters, Mrs. Pearl Thomas of Castella, Mrs. Goldie Vannier of Mt. Shasta and Mrs. Rena Akins of Tulare; one brother, F. J. Lewis of Castella.

The body was taken to Noble's Chapel in Mt. Shasta. Funeral arrangements will be announced.

KF Republicans To Hold Meeting

"What To Do About Senator McCarthy?" will be the subject for discussion at a meeting of the Klamath County Republican Club, Wednesday, March 24, 8 p. m. at the Y.M.C.A.

The Republican Club of the state of Oregon has already taken a stand on the McCarthy controversy and has submitted a resolution to U.S. Senator Guy Gordon.

Floyd Wynne, co-chairman of the Klamath County Club, said that the local group is an independent group and makes its own decisions and resolutions.

All members of the club are asked to attend and take part in the discussion.

It is hoped that the members will arrive at a resolution that can be submitted to the Oregon congressional delegation.

Crater Skiing Reported Good

Skiing is good at Crater Lake National Park, according to a report this morning from the ranger station. Twenty-seven skiers came to the park Sunday.

Total snow on the ground today was 126 inches, 36 inches less than on this date last year.

Highway 62 is open to the rim. The roads are icy in spots but chains are not required.

Weekend travel brought 87 cars to the park with a total of 330 persons. Weather has cleared and a beautiful Monday morning promised good weather for the week.

SPRING OPENING will be here next Friday and Saturday even if models have to pick "roses from the snow" and hold onto their hats in the spring breeze, as Martha Nelson (left) and Doris Cilk are doing here for the Spring Opening Committee. Merchants will unveil their spring windows Friday evening and numerous gifts will be awarded, including \$100 cash to be given away Saturday afternoon.

State Appointee May Be Changed

Al J. Crose, Oregon State real estate commissioner, appeared Saturday to be on his way out of office, with replacement scheduled for early this week.

Crose's four-year term expired March 15, and Governor Patterson did not follow the usual procedure of filling the office immediately.

Real estate men said this tended to confirm long-time rumors in reality circles that a new commissioner is to be appointed.

According to the Oregonian, two men were most prominently mentioned as possible successors to Crose. One is Ragnar Johnson, Astoria real estate man and the other is ex-state Representative Max M. Landon, Sweet Home real estate and insurance operator.
