Lumber Sales Efforts Urged

PORTLAND (AP) — Improved selling methods and promotion will keep the lumber industry from suffering a drop in business this year, several national lumber industry spokesmen asserted here Thursday.

James R. Bemis, Prescott, Ark., president of the National Lumber Manufacturers Assn., said the sales efforts now being made would overcome the drop predicted by some observers.

H. R. Northrup, executive vice president of the National Retail Lumber Dealers Assn., Washington, D. C., said the lumber

Deschutes River Yields Body

MAUPIN, Ore. (AP) — The body of one of two trainmen killed in the Jan. 31 plunge of a diesel locomotive into the Deschutes River was found Wednesday.

Two railroad men spotted the body on an island five miles downstream from the accident as they rode past on a speeder. It was that of Earl F. Sutton, Wishram, Wash., fireman on the derailed locomotive.

The body of the engineer, Ernest H. Barton, Portland, was found in the locomotive while it was being raised from the rapids.

Lumber For Korea Aid To Be Ordered

WASHINGTON (AP) — Orders will be placed soon for another three million dollars worth of lumber and sawmill products, including plywood, for use in the Korean rehabilitation program, Reps. Westland and Mack said Thursday.

The Washington Republicans said they have been advised by the Foreign Operations Administration that the orders are expected to be placed by July 31. Deliveries are to be made by Jan. 1.

The order is expected to run 30 million to 40 million board feet. It is one of a series of overseas lumber shipments upon which Pacific Northwest mills have been asked to bid.

Army Games Held In Bad Blizzard

CAMP HALE, Colo. (AP) — Parked soldiers in the Army's big winter maneuvers Wednesday fought a second enemy — a howling blizzard.

Temperatures in the 10,000-foot mountain battleground dropped to minus zero, and moving troops and equipment became more difficult as new snow fell atop a 2-to-4-foot blanket.

The operation, a battle for Tennessee Pass on the continental divide, was viewed Wednesday by Lt. Gen. John C. Dalquist, chief of Army field forces at Ft. Monroe, Va. The maneuvers end Saturday.

Oldtime Ad Lists Sale By Man Leaving for Oregon

Wanna buy a soft-mouthed hound? No — then how about a dozen wooden pitchforks, or a 32 gallon barrel of Johnson-Miller whiskey, 7 years old — or maybe a couple of mulatto wenches.

These items and many others were advertised for sale in Missouri 105 years ago, according to a clipping published recently in the Downing (Mo) News, and turned in to the Herald and News by Mrs. E. McGary, Route 1, Box 591, Klamath Falls.

The following handbill was printed somewhere in Missouri in 1849: "Having sold my farm and am leaving for Oregon Territory by ox team, will offer for public auction on March 1, 1849, all of my personal property to-wit: All ox teams except 2 teams, Buck and Ben, and Tom and Jerry; 2 milk cows; 1 gray mare and colt; 2 ox carts; 1 iron plow, with wooden mole board; 800 foot poplar weather-boards; 1,000 three foot clap-boards; 1500 fence rails; one 80 gallon soap kettle; 80 sugar troughs, made of white ash timber; 10 gallons maple syrup; 2

books; 2 handle hooks; 3 scythes and cradles; 1 dozen wooden pitchforks; one half interest in a tan yard; seven 32-calibre rifles; bullet molds and powder horn; rifles made by Ben Miller; 50 gallons

soft soap; hams, bacon and lard; 50 gallons sorghum molasses; 6 head fox hounds, all soft mouthed except one.

"At the same time I will sell my six negro slaves — 2 men, 35

and 50 years old; 2 boys, 12 and 13 years old; 2 mulatto wenches, 30 and 40 years old; Will sell together to same party as I will not separate them.

"Terms of sale, cash in hand or note to draw 4 per cent interest with Bob McConnell as security. My home is on McConnell's ferry pike. Sale to begin at 8 a.m. Plenty to eat and drink."
