

Rematch Bout To Be Thriller

Tonight is the night. That is what Georges Dusette is telling himself about tonight's wrestling match at the Armory.

The French Canadian is going to try and prove to Klamath wrestling fans that he can whip Eric Pedersen. He has made an attempt to do this job twice in the last couple of weeks and has failed in both attempts.

Last week the match was supposed to feature a possible showdown of the War of the Worlds, but Eric "The Great" Pedersen used to gain wins in the past.

Matchmaker Mack Lillard has gone all out to supply the fans with excitement this week and instead of having an open for the program, he has arranged the program with two semi-windups in addition to the Dusette-Pedersen scrap.

Popular Tommy Martindale has been signed to meet Roy Wolf in one of the semi's and Bill Fletcher will battle with Ivan Kammeroff.

Both of the semi-windup battles are scheduled to go thirty minutes of which one of the grapplers gains a decision by two out of three falls.

The main event could last all night, being that it is a two out of three fall, not time limit match.

Reserved seat tickets for the evening's match can be picked up ahead of time at Castleberry Drugs.

TONIGHT'S REMATCH between Eric Pedersen and Georges Dusette will very likely carry the same excitement of the past meetings these two have had. Pedersen, on the outside looking in, is shown using the ropes to soften up Dusette's arm in last week's meeting.

Champs Satisfied As 'Big Fight' Nears

CHICAGO (AP) — Both Bobo Olson and Kid Gavilan seem satisfied they are as ready as they'll ever be for their big fight—and both are sticking with the techniques that brought them each a championship.

Olson, the middleweight titleholder, ended ring drills for Friday's match with a five-round sparring session Tuesday. Gavilan, the welter champ, planned a couple of final rounds Wednesday.

It's Olson's 160-pound title that is at stake in the nationally-tel-

vised 15-rounder at Chicago Stadium.

Olson has reached a fine edge, says camp spokesmen—so fine that manager Sid Flaherty wants him to take only the lightest of exercises from here on out, to avoid overtraining.

For just about the first time since he became a champion and found making the 147-pound welter limit less than a joy, the Kid has no weight problem—unless it's the seven or eight pounds he will spot Bobo.

The Cuban senior is a sleek 133 and feeling so trim that he delayed a four-rounder workout for an hour and a half Tuesday in favor of a poker game. When he finally did appear in the Midwest A.C. ring it was only a gesture to please a group of gym fans. He just went through the motions.

Chicago Bowlers Tie Lead

SEATTLE (AP) — The King Louie Bowling Shirts team of Chicago electrified the 1954 American Bowling Congress late Tuesday night with a 2884 open team total that finally tied the first place score set on opening day of the tournament.

The Windy City keglers put together games of 930, 998 and 1056 to amass a figure equal to that of the Wisconsin Bridge and Iron Works team of Milwaukee. The total surprised the experts—they had predicted there was little chance the Milwaukee team's mark would be equaled.

The Shirts' final game total was the highest team score bowled in open division play in the current tournament.

ANCHOR MAN

Paul Kruske, anchor man on the Chicago five, led the pin-smashing with a run of 207-199-246-643.

The only other major change in the open division saw the Helin Tackle team of Detroit take over 10th place with a 2370 score.

Another team which had been expected to finish among the winners fell short of predictions as the Ronson Lighters of Newark managed only a 2335 score, 35 short of what was needed to get a foot on the big ladder.

THIRD PLACE

The only change in the booster division saw the Arden Ice Cream men of Auburn, Wash., take third place with a 2746 score.

The afternoon session was a continuation of "The Detroit Story," which major city keglers started writing here on Monday.

The Pfeiffer Beer Team, defending team champions, who blew their chances of a repeat title in that class with a 2826 roll Monday night, made a strong move to retain possession of their other ABC crown—the team all-events title.

The arithmetic showed they had an 896 to take the lead in this year's competition.

Here is how the Detroit story started Tuesday:

COMMAND

Therman Gibson and George Young, Pfeiffer bowlers, rolled 1281 score for sixth place in the doubles standings. The same pair took command of the singles race—Gibson rolling a 692 for first place and Young a 683 for second.

Gibson was back in the act when it came time to post the all-events, having a 1901 which gave him second place. Don Carter bowled an 1830 for sixth place in all-events and Young who had been following in Gibson's footsteps all day, came up with an 1819 tally to take 9th place in all events.

Outfielder Jim Fridley of the Baltimore Orioles was a star tackle for the University of West Virginia in 1946 and 1947.

Rookie pitcher Frank Sullivan of the Boston Red Sox is the tallest player in the American League. He is 6-6½.

Ohio Stater Meet Favorite

NEW HAVEN, Conn. (AP) — Senatorial Ford Konno, the Hawaiian-born Ohio State ace, is a big favorite to complete a grand slam in the 1500-meter grind which opens the 13-event National AAU men's indoor swimming championships in the Yale Pool Thursday night.

Konno, who last week added the national collegiate title to his Big Ten honors in this long grind, will be challenged by a class group of some 20, including Bill Yorzyk of Springfield College, who was runnerup in the NCAA meet at Syracuse, N.Y., several days ago.

The long distance haul on Thursday night is to be followed by 12 other events on Friday and Saturday in which nearly 200 swimmers and 46 organizations are entered.

Pels In Opening Oval Meet

Klamath Union High School's track squad is preparing for their season opener this Saturday at Roseburg when they face Eugene and Roseburg.

With a nucleus of eight lettermen, Coach Len Surles is sending his squad through time trials to determine who will be entered in the three way meet.

The Pels should hold their own against the two valley teams in the sprints and the broadjump. Jim Bevan, Don Mills and Dave Pepple are three of the returning lettermen who will probably be entered in one or more of the sprints.

Jim Dougherty and Pepple are among the Pelicans who may be entered in the jumping event when the trials are finished.

Other help in compiling points for Surles' squad could come from lettermen Don Wells and Barry Pitts in the distance events and Orin Perkins, a promising sophomore, in the high jump.

Greg Schulze and Dougherty team together to give the Pels a one-two combination in the weights.

This weekend's meet will be the first of a scheduled six before the district and state meets, which will be held around the middle of May.

Cockell Decisions LaStarza

LONDON (AP)—Don Cockell, Britain's former-blacksmith-boxer, a real triple-threat, was the man of the hour here today and 3,000 miles across the Atlantic Ocean heavyweight champion Rocky Marciano no doubt was doing some late calculating.

Cockell, who grew too heavy to lead his way along the light-heavyweight trail, outpointed Roland LaStarza last night in Earls Court Arena and immediately skyrocketed to a contender role in the heavyweight picture.

UNDERDOG

Except for the first four rounds, the fight wasn't even close. Cockell, a 2-1 underdog, took over in the fifth and piled up points the rest of the way. Some British experts had margin as wide as 8-3 in rounds.

For four rounds, LaStarza looked as though he intended to do a workmanlike job on Cockell. But the Britisher caught—wiz in the fifth, became the aggressor and broke up LaStarza's counterpunching.

LaStarza never really hurt me," said the dumpy fighter. "It was nice to win." A very close-mouthed lad.

His manager, John Simpson, said there have been no definite offers to fight Marciano.

"If I get an offer and it's good enough I'll take it," he said. "If nothing else comes along, we'll probably fight Harry Matthews in Seattle again."

WARNER

Cockell was warned four times about low blows, and LaStarza and his manager, Jimmy De Angelo, both said the American would have been disqualified if it had been the other way around.

"To tell the truth," said LaStarza ruefully, "I was expecting this. I was told before I came that I'd have to win by a knockout. I was slow starting and fought a bad fight. But I think I won."

Try for a knockdown Rolfe did—and desperately in the 10th and final round. It was a real melee with LaStarza striving desperately to connect. But he had neither the power nor the aim. When it ended, he was working so hard he didn't even hear the bell and Referee Gene Henderson had to get him in a headlock and drag him to his corner.

LaStarza weighed 189½ to Cockell's 211. The victory was Cockell's 57th against 10 losses while for LaStarza it was his fifth defeat against 54 triumphs.

Rain Halts Practice Games

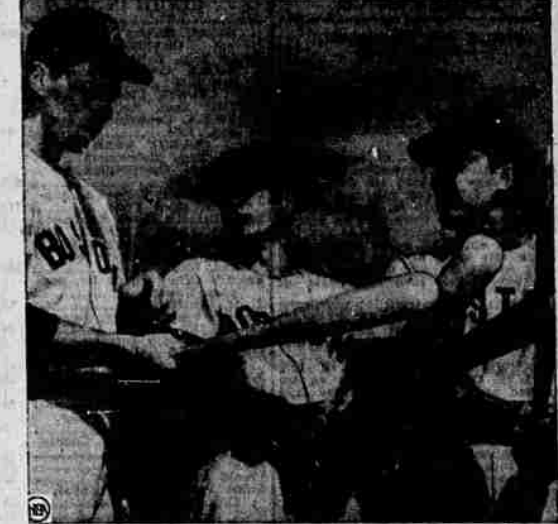

LOS ANGELES (AP) — Rain washed out all Pacific Coast League exhibition games scheduled in this area Tuesday.

Wednesday's schedule sent Los Angeles, with jovial Bill Sweeney back in the pilot's seat after a long absence, against Portland on Casey Stengel Field, Glendale, and Seattle against the Naval Air Sky-raidiers at Palm Springs.

Hollywood was billed with the San Diego Marine Recruit Depot at San Diego.

Ebbets Field was the home run hitter's favorite National League park in 1953. The sluggers hit 192 homers there.

In 1955 the European rowing championships will be held in Belgium. It will be the seventh time the championships have been held in that country.

Ted's Injury Ends Red Sox Problem

By HARRY GRAYSON
NEA Sports Editor

SARASOTA, Fla.—(NEA) — If Ted Williams had not fractured his collarbone, Billy Conzolo making like Billy Martin at second base would have posed one of those pleasant problems for the Red Sox.

But what to do with Billy Goodman was plain when Slugger Williams cracked up after just 10 minutes.

Lou Boudreau hopes it will work out like it did the last time Handy Man Goodman supplanted the great Williams in left field. That was after the willowy fisherman broke bones in his elbow crashing into the Comiskey Park wall in the All-Star Game of 1950. Billy the Kid went on to win the batting championship with .354. With indications that Williams may be out until late May, he's even nicer to have around now.

Lane Feuds With Stengle

ST. PETERSBURG, Fla. (AP) — The feud between Chicago White Sox general manager Frank Lane and New York Yankee manager Casey Stengel continued Wednesday.

Lane watched the Yanks take a 7-6 licking from the Philadelphia Phillies Tuesday and later told baseball writers Stengel was holding up a deal he wanted to make presumably to get infielder Andy Carey.

Appraised of Lane's remarks, Stengel said:

"That's probably true and now I'll make sure he never makes it."

Bucs Shutout Red Sox

By ED CORRIGAN
AP Sports Writers

What's this?

The Pittsburgh Pirates atop the Grapefruit League standings, hitting home runs all over the place and one of their pitchers tossing a shutout?

The Pirates have been riding along in high gear all spring and their sluggers have been hitting—they already have 30 home runs—but not even the most optimistic Buccarner would have predicted that 23-year-old Bob Friend would whitewash the powerful Boston Red Sox.

DECISION

That he did yesterday, with the Pirates taking the decision 3-0. He also became the first of Fred Haney's pitchers to go nine full innings. The Pirate flingers amassed a total of four shutouts all last season.

Friend, who has spent his entire major league career (three years) with the Pirates, gave up but three hits and walked only one. He also contributed a pair of singles.

The Chicago Cubs, with Coach Bob Scheffing at the helm, former Manager Phil Cavarretta in the stands and new pilot Stan Hack on the way, defeated the Baltimore Orioles 3-1. Johnny Klippstein pitched six shutout innings and Hank Sauer and Ernie Banks hit home runs. Joe Coleman went all the way for Baltimore, allowing six hits.

IMPRESS

The Cleveland Indians beat the New York Giants 3-1. Old Red Maglie continued to impress the Western camp followers by going five innings and being tapped for only one hit.

The Philadelphia Phillies nipped the world champion New York Yankees 7-4.

The Boston Red Sox sold veteran catcher Gus Marbach to Louisville of the American Assn.

Tulelake Edges Butte Valley 5-4

Tulelake used a late game rally to edge Butte Valley High School, of Dorris, yesterday afternoon, 5-4.

The Honkers combined three hits, three walks and a hit batter to score four runs and sew up the game in the sixth inning of a scheduled seven inning affair.

Outfielder Cecil Moore's triple was the big blow in Tule's uprising against Butte's pitcher Mart. Ron Peterson gained credit for the Honkers win.

LINESCORE:

Butte Valley 200 0002 4 8 2
Tulelake 001 004 8 6 1

Six of the eight National League shutout leaders since 1948 have been leftfielders.

In 1953 National League teams played 245 night games. This is the same number as was played in 1952.
