### Police Pay Raise to Be Discussed With City Dads

The Civil Service Commission met Monday with members of the Police Department to discuss a res-

olution recently passed by the commission with recommendations pertaining mainly to positions, salaries and vacations.

ATHERTON, Calif. (AP) — Capt. Thomas B. Foster, 78, Secret Service man who guarded presidents from McKinley to Roosevelt and at his retirement headed Secret Service operations in 12 western states and Hawaii, died at his home here yesterday.

A native of Washington, D. C., Foster joined the Secret Service in 1901. He retired in 1945.

Outcome of the meeting was a decision by the police department to arrange a meeting with the city administration, at which Civil Service Commission members will act as spokesmen for the department.

The resolution specifically recommends the following:

- (1) Abolish the position of assistant chief and create the position of captain, to be filled by competitive Civil Service examination;
- (2) Create positions for a lieutenant, three sergeants, and a

classification from patrolmen on a four year basis, to be filled by examination. Patrolmen's salaries are specified at \$3,600 per year for beginners, with \$80 increases the next three years.

(3) A 40 hour week, with time and a half for overtime, making a five day work week with two consecutive days off.

(4) Annual vacations on the

basis of one day for each month worked.

According to Jack Henry, chairman of the commission, 15 cities in Oregon pay larger minimum salaries for patrolmen than Klamath Falls, and these cities are much smaller than Klamath Falls. Sixteen cities pay a larger salary for their chief of police.

Henry also pointed out that in a recent survey made, it was re-

ported that Portland and Astoria have a 40 hour week for police; Ashland a 42 hour week; Eugene, Medford and McMinnville, a 44; Roseburg, 45.

Salem and several other towns

have a nine day so-called winter vacation given for working holidays. This is in addition to their regular two weeks vacation.
