Baseball Fan On Losing Side Now

NEWARK, N.J. (AP)—Steen Drake was all set for the opening of the baseball season. He had three television sets—one in the living room of his apartment, another in the kitchen, and a third in the bathroom. That was before detectives Philip Smith and Arthur Shine arrived to take inventory. They claimed the sets were stolen from three homes, and told Drake they got his description from a taxi driver. Drake was held today on theft charges at police headquarters. He missed the opening game.

Board Surveying Compensation Move

DETROIT (AP)—In the light of all the facts the Wayne County Board of Institutions is taking another look at a woman worker's suspension. The board may have to wink at civil service rules. In violation of the rules the woman stayed on her job until the day her baby was born. The rules require an expectant mother to go on leave of absence six months before and one month after the birth. The woman explained she had to stay at work. Her husband had deserted her and her two other children.

Stop Those Horrid Lies

Your Skin is Telling About Your Age

Premature crow's-feet at the corners of your eyes are often caused by skin dryness. Skin dryness is caused by your skin's inability to make enough lubricating cholesterol and esters. Penetrating Lanolin Plus Liquid used nightly as a cleanser—then a few extra drops gently massaged into your skin before retiring—next day a few more drops used as a powder base. This keeps your skin constantly supplied with an abundance of cholesterol and esters. Result: dry skin is overcome—pre-mature dry-skin wrinkles quickly fade, giving you a surprisingly youngest look. Get your Lanolin Plus Liquid today. Use it tonight. Actually SEE and feel a difference tomorrow morning. All this for but one dollar, plus tax.

* If you spent \$1,000, you could not get more beauty help than you get from a \$1 (plus tax) bottle of Lanolin Plus Liquid.
