Richard Smith Rites Held

Funeral services were held Monday morning at Healdsburg, California, for Richard (Dickie) Smith, seven-year-old son of Mr. and Mrs. Francis P. Smith, former residents who moved to California about three weeks ago.

The youngster was stricken with virus pneumonia and was ill only a matter of hours.

Francis Smith was with the recreation department here.

Mrs. Smith is a sister of Mrs. Tom Chaburn of Merrill. Among those who drove from here to attend the funeral were Mrs. Smith's brother, Fred Newman and Mrs. Charles Wainstad. The Rev. and Mrs. David Barnett, who have recently moved to Santa Rosa, also went to Healdsburg for the weekend.

Googins Named To Mayor Post

Also elected was Mrs. Irma Coofeen, thought to be the first woman council member elected here. Defeated candidates were George Kerr and Ray Chinea.

HOW TO GET RID OF SCORCH AND MILDEW STAINS

Remove them with Purex this safe, easy way:

Whenever a cotton or linen fabric is badly stained with scorch or mildew, mix 1/4 cup of PUREX Liquid Bleach with a quart of cold water in a glass, porcelain or enameled bowl. Soak the stained portion of the cloth in the solution for five minutes. Rinse thoroughly. Repeat if necessary.

You'll be delighted with the way this simple method removes even very stubborn stains—not only scorch and mildew but fruit, berry, coffee, tea, ink, iodine, grass and many others.

PUREX takes out most stains just in the ordinary process of

laundry. Add one cup of PUREX to the suds in your washer (16-gal.) and mix before adding clothes. PUREX is safe for any type washer, makes any wash whiter, fast colors brighter.

Famed for years as the gentle bleach, PUREX is safe because it is pure. Used as directed, it will not shorten the life of cottons or linens a single day! Try it.
