Four west coast advertising firms, The E. S. Wilson Advertising Agency, Bend; Earl Helms and Associates, Portland; Gerth Pacific Advertising Agency, Portland, met with the joint advertising committee who attended a joint meeting an advertising program for the approval of the committee.

The selection of one of these agencies to handle the advertising of the Klamath-Deschutes Russet potato is expected next week.

### Park Crews Busy With Annual Spring Cleanup; Recreation Park Schedule

Spring housecleaning is the order of the day in the Park and Recreation Department of the city, according to the director, Bob Bonney.

City employees are busy now trimming trees, cleaning areas of debris, putting sprinkler systems in operation in city parks, spreading fertilizer and leveling ball fields at Conger Field, Recreation Park, Kiwanis Park and Fairview Playground.

On the recreation program, Recreation Park is fully scheduled afternoons and weekends by OTI, Sacred Heart Academy and the Klamath Merchants, Conger Field, Kiwanis Park and Fairview Playground are used each weekday afternoon and Saturday mornings by the school system.

Bonney said that any junior ball team or independent team is welcome, for the present, to use any of the fields where this use will not conflict with above scheduled activities.

The Pelican tennis team works

out daily on the Moore Park courts, and have three conference meets scheduled and one district competition in the offing.

The full-scale summer recreation program will begin June 14 in five supervised play area, with tennis instruction included on the program.

Bonney is urging people who use the boat launching area at the lake near the entrance to Moore Park to move trailers and cars away from the area to leave room for others to park. A small boat dock will be built at the launching area soon, Bonney stated, to facilitate boat users loading and unloading passengers.
