Group Urges Applegate Release

The United States State Department has received 71 petitions, signed by more than 1,000 Medford people, asking that everything possible be done to bring about the release of Medford newspaperman Richard Applegate and two others held prisoner by Chinese Communists for more than a year.

In forwarding this information to Applegate's mother, Mrs. Frank Lindsey Applegate, 615 South Oakdale, E. J. Madill, assistant director of the State Department's office of special consular services, stated that the State Department "will not fail to take every appropriate step which might be calculated to lead to their release."

Palmer Hoyt, editor and publisher of the Denver Post and former publisher of the Portland Oregonian, is cooperating in the program as is Michael J. Gavin, CBC, president of Portland University. Bill Bowerman, assistant director of athletics at the University of Oregon and former Medford athletics coach, is aiding in the Eugene area.

Applegate is a member of a pioneer Southern Oregon family and was born in Klamath Falls. He, together with Donald Dixon and Ben Krasner, has been missing since March, 1953, when the trio were abducted by Chinese Communists while off the coast of Hong Kong in Applegate's yacht.

The candidates started campaigning at noon today and the halls are filled with slogans and posters. Candidates are distributing little tags with slogans for their supporters to wear. Campaign speeches will be given Monday, April 25, and posters must be down by Tuesday, April 27.

Pinning of officers for next year will take place at the Latin Club banquet tonight. Entertainment will include musical numbers and skills by members.

The Business and Professional Women's Club entertained all the senior girls in the county at the Willard Hotel Monday night. Lovingly prepared hors d'oeuvres were presented each girl and dessert was served.

A well received style show was the feature of the evening and models were classmates, Nancy Clark, Nancy Drew, Carrie Heilbroner, Annette Jacobs, Beverly Maris, Joan Meador, Pat Taylor, Florene Wamstead and Nancy Warren. Cyrella Kahn and Kathleen Kahn from Sacred Heart also modeled.

Senior announcements are ready so dig deep, pals, this is only the beginning.

Already we seniors are being warned of final exams. Oh well, I guess every silver cloud has its dark lining — or am I misquoting?

Young Mother Glad

By Geo. N. Taylor
The woman of many talents came into our car early in the morning, picked up the six-week old babe and made straight for the Woman's Room, with the young mother, a teen-ager, following a and grateful. Later this woman did a vital piece of work for a passenger who had become ill. And she told us how she had always helped others and that God would see her good works and Geo. N. Taylor pass her in. But God says NO! It is not by our good works that we save ourselves. Instead, by God's mercy, he saves us.—Titus 3:5.

Sin Bearer: Christ suffered to the full for all the sins of that useful woman—and for our sins also. By that, Christ set you right with God. Receive Him as your Lord and Saviour and God gives you eternal life. Delay and you sell your soul down the river.
