| New seat covers, perfect body, good tires, good mechanically. A very nice family car in the low priced field                                                                                                       |       |
| 1947 NASH '600' 4-DR. SEDAN                                                                                                                                                                                        | \$145 |
| Needs paint, but has a very good motor. Tires are fair. A real good car for fishing or knocking around. Has radio, heater. Books at \$330, but we want to sell NOW                                                 |       |
| 1949 DODGE 1/2-TON PICKUP                                                                                                                                                                                          | \$615 |
| Motor reconditioned, body very good, has heater and good tires. If a pickup is your desire, you can't pass up this "Job-Raised" Dodge. It's dependable                                                             |       |
| 1941 OLDS '98' 4-DR. SEDAN                                                                                                                                                                                         | \$125 |
| If you want good transportation, cheap... here you are. This car has lots of miles left and is fully equipped. Motor and Hydramatic are in good condition. You won't have to worry about walking back, in this car |       |
| 1947 OLDSMOBILE '98' 4-DR. SEDAN                                                                                                                                                                                   | \$525 |
| Here is a real sharp. One-owner. Spotless and recently overhauled. Perfect tires and very clean inside and out. Radio, heater working perfectly. This car is really in nice shape and worth the price              |       |
| 1941 PONTIAC '6' CLUB SEDAN                                                                                                                                                                                        | \$ 60 |
| If you want, but it is good mechanically. If you want a fishing car and don't care about looks, this is it                                                                                                         |       |
