PAISLEY

By MRS. CLYDE BRAMLETTE

Vandalism is being dealt with in Paisley by the law. Officers in charge here say it must stop.

Quite a bit of damage in the past two years has been centered on state highway property. Nineteen barrels of oil were peppered with shot and the oil spilled on the ground. In one evening seven highway signs were flattened and left by the roadside. A pile of old tires, used by section crews to burn weeds, was set afire in the gravel pit about ten feet from thirty one barrels of patching oil and only the prompt action of the forest service and local firemen kept the blaze under control.

Jeremiah O'Leary was arrested by Deputy Sheriff Jack Neal when he was caught backing his car and climbing it at a curve sign in front of the forest service headquarters. The sign was broken off near the ground. O'Leary, a rancher near here, will come up for hearing today.

Funeral services were held Sunday afternoon, at the school, for Paul J. Brattain. The body was laid to rest in the IOOF cemetery south of Paisley.

An Easter program was presented by the youngsters of the community. The Young trio composed of the two year old son and three and four year old daughters of Mr. and Mrs. Young, Lakeview, was a real treat. This program was in charge of Blanche Young, Chairman of the Junior Grange. Dancing was enjoyed until a late hour.

D. C. Schofield, Valley Falls, met with an accident Saturday his right leg is in a cast. Schofield was plowing in a field near his home when his tractor mired down. While attempting to unhitch the plow his foot slipped and threw him against the tractor, fracturing the small bone above the ankle. A deep cut in back of his leg and bad bruises add to the injury. This is a serious injury as Mr. Schofield has been on crutches most of the winter, from an old injury.
