**Ohio Bus Drivers Call Wage Strike**

TOLEDO, Ohio, AP—Some 435 members of the AFL Bus Drivers Union struck Toledo's Community Traction Co. today, leaving this city of 329,000 without public transportation.

Mayor Ollie Gezelus and City Manager Arnold Finch immediately urged residents to form car pools.

In dispute was the company's refusal to abide by a wage increase award made April 9 by an arbitration board.

The company said the award was invalid because its representative on the three-man board had walked out before it was made.

**Oregon Begins Polio Tests**

By THE ASSOCIATED PRESS

The nation-wide test of Salk polio vaccine got underway in Oregon Tuesday as second graders in Lane, Marion and Multnomah counties received the first of a series of three injections.

Parental permission is required for children taking part in the tests.

On Monday a number of first, second and third graders were given tests to determine whether antibodies of the three best-known strains of polio were present in their blood.

This will provide a statistical comparison for tests of the blood of the children who have received the anti-polio injections.

**Moose Hold Chapter Night**

The Homemaking Committee, Women of the Moose Chapter 467, held a "Chapter Night Program" at Moose Hall Tuesday, April 6.

MRS. LILLIAN TAYSON, Homemaking Chairman, Women of the Moose, Klamath Falls chapter No. 467 joined the lodge in March 1952 and has sponsored two candidates.

Following regular ceremonies chairman, Lillian Tayson, was introduced to the guests by senior regent, Kathleen Hepburn. Mrs. Tayson then introduced her committee members Dorothy Small and Ella Gillett. Mrs. Gillett was out of town and unable to appear on the program.

Shirley Tayson sang a solo, "September in the Rain," accompanied by Bill Salt at the piano. Two musical selections were played by a trio, Bob Baggett, guitar; Ross Coble, drums and Bill Salt, pianist.

Hope Holbrook, of the home demonstration agency talked on various cleaning agents used in the home, and on homemaking in general.

Candidates initiated in honor of the Homemaking Committee were: Nettie Britton, Vivian Wenzel and Esther Jean Elliott. Sponsors listed in same order were Agnes Shamboltzer, Thelma Lovelace and Irene Hamel.

Homemaking chairman, Lillian Tayson was escorted to the altar and presented with a gift by senior regent, Kathleen Hepburn, a token of appreciation from the chapter for her program.

Refreshments were served to 49 guests in the lounge by the homemaking committee.

**Students Tour OTI Campus**

Fifty-four high schools were represented by 140 senior students at OTI's participation in the state-wide annual campus preview weekend, sponsored by the High School-College Relations committee of the Oregon State System of Higher Education.

Visitors began arriving on the Oretech campus late Friday afternoon and registered throughout the evening for a total of 17 girls and 123 boys.

A student talent variety show was the feature of Friday evening's entertainment for the visitors. Several skits were presented on the theme of space travel in the year 2054. The skit put on by the electronics technology students was judged winner of the trophy offered in competition by the Allied Subjects department at OTI. A non-competitive entry which drew considerable applause was a cap-can dance featuring male ballerinas.

Saturday morning was spent in guided tours of the campus with all classes in operation.

The Lassen Junior College versus Owls baseball game, drew many of the visitors in the afternoon. Sync Halaas Combs provided music for the welcome dance held Saturday night in the Student Union ballroom which had been specially decorated for the occasion.

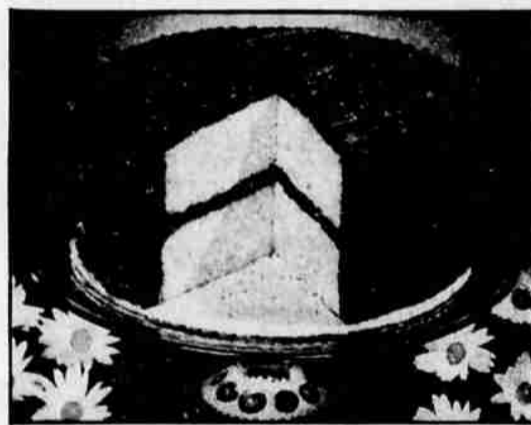

Robert L. Dusenberry, principal of the Cottage Grove high school, was official representative of the High School-College committee and Charles Carlson, principal of KUHHS, audited the program for the secondary school principals committee.

FROM YOUR CRATER LAKE MILK OR GOVT. MILK

What every good cook knows:

Just a little difference in ingredients makes a big difference in cooking results

Snowdrift is just a little lighter than any other shortening — and that can make the big difference in giving your family lighter, more digestible foods.

Snowdrift is pre-whipped just a little longer than ordinary shortenings. That can make the big difference in easier blending for cakes, pie crust, biscuits and everything you bake.

Snowdrift's ingredients are just a little costlier than any other solid shortening (yet you pay no more). And that can make the big difference in better tasting foods.

No other shortening at any price is so creamy, so digestible — and so light!
