WARD WEEK SALE ENDS SATURDAY

EDISON MARSHALL'S book "Yankee Pasha" has been made into a movie and will appear at the Esquire Theater here starting next Thursday. A full blooded adventure yarn of the days of early sailing and adventures in the Far East, the movie will be shown in Cinemascope. Marshall, who is a brother of Mrs. Lucille O'Neill, 1954 Portland, is well known for his books on hunting and for his historical novels, of which "Benjamin Blake" is perhaps the best known. An ardent sportsman, Marshall has made several visits to Klamath Falls where he has taken in the duck and goose hunting as well as getting in a visit with his sister.

Loans For Grain Bins Announced

Oregon farmers can borrow up to 80 per cent of the cost of new grain storage bins or other approved grain storage structures. The structure, however, must meet requirements for storage under the price support program. Applications for loans may be made at the Agricultural Stabilization and Conservation office in the Tower Theater building, states County Agent C. A. Henderson.

Applications for loans may also be made through local banks for wheat, oats and barley. Four years may be used to pay off the loan at four per cent interest per year. The first installment is payable in 12 months after the loan is made. Growers may also charge off the cost of the storage bin in five years for income tax purposes, Henderson added.

This loan is particularly important this year with estimates of heavy grain production throughout the Pacific Coast area. California's early estimate of barley production is 67 million bushels, which

is 14 per cent above the 1950 record crop for that state. Acreage of both oats and barley is reported to be much greater in Oregon this year.

Grain support prices in Klamath county are \$2.43 1/2 per cwt. for barley; \$2.59 for oats; \$3.55 for wheat and \$2.38 per cwt. for rye.

He Sleeps Like a Top

TUMS Quieted His Acid Stomach
No longer does he lie awake because of excess stomach acid. No longer does he toss and turn with that queasy, restless feeling. He just takes 1 or 2 Tums as a "night-cap" before he goes to bed. Then sleeps like a top—wakes up fresh and "rarin' to go." Always keep Tums handy to counteract gas, heartburn, acid indigestion. Get a roll to have on hand tonight.
