SPRING TIME IS PARTY TIME with bridal showers, weddings and the many special occasion days that are in the offing. Dainty sandwiches cut in various shapes and sizes with colorful fillings add to a festive party picture. Sandwiches spread with a variety of butter spreads are extra good eating. The American Dairy Association contributes numerous suggestions.

Petite Party Sandwiches

Shapes and sizes of your party sandwiches can be many and varied. Use cookie cutters to cut spade, heart, club and diamond and round shapes out of white or whole wheat bread. Cover with a butter spread, garnish with chopped parsley, olive or pickle slices or pimiento strips.

From one cup of butter and a few seasonings, four different and delicious sandwich spreads can be made, such as Sardine Butter, Deviled Ham Butter, Liverwurst Butter and Creole Butter.

For the pinwheels with the pickle in the center, slice a loaf of uncut bread lengthwise, cut off the crust, spread evenly with Liverwurst Butter. Place a pickle at the end and roll it up. Wrap the roll in waxed paper and chill in the refrigerator for several hours or overnight. When ready to serve, slice into the pinwheels with a sharp knife.

The cornucopias are made from thin sliced bread from which the crust is removed. Spread slice with the filling, bring the two opposite corners of the slice of bread together and fasten with a toothpick. Strips of pimiento are added in the center for color. Brush the outside with melted butter and then place under the broiler to toast for several minutes before serving.

Here's a hint to make the bread thin enough to fold nicely — flatten it with a rolling pin.

The ribbon sandwiches are made by alternating slices of whole wheat and white bread, spreading a filling in between and then cutting through.

Sandwiches may be made in advance and stored in waxed paper, plastic bags or in a cloth wrung out of cold water. Many types of sandwiches may be frozen. However, they should not be stored longer than two weeks. In choosing recipes for freezing sandwiches, avoid mayonnaise and boiled salad dressing, hard cooked egg white, jellies and all crisp salad materials. Most garnishes cannot be frozen — they can be easily added just before serving.

BUTTER SPREADS

Tangy Butter Spread is made by combining 1 cup soft butter, 1 tablespoon lemon juice, 1 teaspoon Worcestershire sauce, 1 teaspoon prepared mustard. Beat until light and fluffy. Divide the mixture well:

Sardine Butter — add one 3¼-oz. can sardines, mashed to a smooth paste;

Creole Butter — add 1 tablespoon stuffed olives, finely chopped, 1 tablespoon finely chopped sweet pickles, 1 pimiento, finely chopped, and ¼ teaspoon paprika;

Liverwurst Butter — add 2 slices smoked liverwurst, mashed;

Deviled Ham Butter — add one 2 - P - oz. can deviled ham, 2 tablespoons finely chopped sweet pickle, 1 teaspoon chopped onion.

PAINT CAN HOLDER

A paint can placed on top of a stepladder is all to likely to slide off. Tack or fasten with a single flat-headed screw, a 10 cent pie plate to the top of the ladder. Good also to catch the paint drops.

To Women With Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slowdown of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Ask for new, large, economy size and save money.
