

Trojans Blank Chiloquin 6-0 To Become County Champs

Sacred Heart's Trojans knocked off Chiloquin yesterday afternoon on Wright Field to win the Klamath County baseball championship by a 6-0 score.

Chiloquin's JoJo George and Bill Snyder, the Trojan's big right-hander, were on even terms until the fourth inning when Sacred Heart scored two runs off George on two hits and several Chiloquin misplays.

In the last of the fifth, Sacred Heart loaded the bases on a single, an error and a base on balls, then Dino Reginato chased two runs across the plate with his hump back single into left field.

The final run for Jim Souza's ball club came in the sixth inning after the Trojans had collected one hit and capitalized on a Chiloquin error and another misplay.

Snyder kept the Panthers under control all afternoon and never once was in serious trouble. The big Trojan pitcher set eight Chiloquin hitters down via the strikeout route, and walked none, while scattering four Panther hits.

George pitched good ball, but errors and misplays behind him made it easier for the Trojans to capitalize. The Chiloquin pitcher struck out 11, and gave up seven hits and two base on balls over the seven inning stretch.

Reginato led the winners at the plate with two hits in four times at bat. His single in the fifth, and long triple to left field in the sixth were deciding factors for the new county champions.

Saturday Souza will take his ball club to Medford where they will meet the Talent High School team in the district playoff.

The game will be played at the Medford Fairgrounds starting at two o'clock according to Souza.

Merrill Whips Wildcats 3-0

Merrill turned in a close 3-0 win over the Klamath Wildcats yesterday afternoon on the Merrill High School baseball field.

Dale McCulloch and the Wildcats' pitcher, Earl Tichenor locked in a pitching duel over the seven inning route, and hits at the right times, and costly Wildcat errors gave the decision to McCulloch.

Merrill scored twice in the first inning on two hits, an error, and a walk, to take a lead that would have given the Huskies the win.

The home team added another run in third inning, and from then on, the Cats and Huskies were blanked by the pitching of the two right handers.

McCulloch struck out 10 Cat hitters, and Tichenor picked up nine strike outs during the non-league game.

Butch Kimpton collected two of the Wildcats' three hits to lead the Cats at the plate. McCulloch also led the Merrill nine in hitting with his two singles in three official times at bat.

Middie Coach Worried

ANNAPOLIS, Md. (AP) — Rusty Callow, the old man of the river, started out on the Severn Wednesday and what he foresaw was not good for his undefeated Navy crew.

The Middies, with practically the same eight that won the Olympics two years ago, have taken 24 in a row to date and, although Callow would not venture the opinion that his sweepstakers could lose in the Eastern sprints Saturday, he did take a gloomy view of the big IRA Regatta on June 17.

He sees his alma mater, Washington, as the big winner, which means that he has conceded the sprint and the Western sprints at Newport Harbor, Calif., to his shell. That will mean 26 straight victories for the Middie when they tangle with Washington in the IRA test.

"As usual Washington will be waiting for us at Syracuse (site of the IRA Regatta)," Callow said. "They haven't had anything else to do all year. They only row twice a year—the dual meet with California this year and the IRA."

The Huskies could do no better than third about a length—and a half behind Navy and Cornell last year, but coach Al Ulbrickson has tagged his varsity "a little better than last year's."

"That Washington crew is as tough as any from all I've heard," he observed. "It has stamina and physical equipment. It has been pointing for a three-mile race all season, while the rest of us have had to row at various distances."

"It can keep its morale and competitive edge even though it has little competition, it should clean up at Syracuse."
