

### Ladies Aid Society Of Malin Church Holds Meet

The Ladies Aid Society of Malin Community Presbyterian Church May meeting was presided over by Mrs. Halbert Wilson, first vice president.

Devotionals were led by Mrs. Stanley Johnson who used as her topic the religious turmoil of the Apostle Paul. The topic was repeated from the previous evening's prayer meeting, by unanimous request. Mrs. Johnson led the prayer meeting in the absence of the pastor, the Rev. Carl C. DeMott.

Plans were completed and committees appointed for the junior-senior banquet which members will serve.

Fellowship Day, scheduled for May 7 in Merrill, was announced and members were urged to attend, although the date coincided with the county music festival.

The next meeting will be the regular social meeting; leader will be Mrs. George Fabianek, whose topic is "Spanish Speaking Americans." Hostesses are Mrs. Robert Koll and Mrs. Marion Montfere.

### NAACP Talk Heard Here Last Week

"Racial Discrimination in America As a Danger to Our Democracy" was the topic of a talk made by Franklin H. Williams, San Francisco, during his visit last week to Klamath Falls as a guest speaker for the National Association for the Advancement of Colored People. Williams is regional secretary-counsel for the association.

He made the statement that concerning our foreign policy, America is the protector of the free world, yet two thirds of the world's population, being darker races, have not embraced communism nor will they accept American democracy because of the lack of racial equality. Because of statements made by representatives of the United Nations from Africa, India and other nations, colored residents of America are waiting to see American practise what it preaches," Williams said.

While Williams is not unaware of the progress that has been made in America on a racial level in the past few years, he thinks situations including the recent one in South America where U.S. representatives were asked point-blank about the racial questions in America, are a set-back to convincing other countries that the American way is the right way in government.

Williams feels that as long as the minority groups are not fully a part of the American daily life, these groups stand a good chance of losing their influence over world events.

He spoke here also before the Tokete Lions Club, the council of Church Women, and at Ashland at the Southern Oregon College and the Soroptimist Club. He was also a guest of Donald Piper at a Klamath Club meeting while in Klamath Falls.

### HOW TO KILL GERMS AS YOU CLEAN HOUSE

**PUREX cleans, brightens, removes stains — and sanitizes at the same time!**

If you have youngsters, you'll be especially anxious to give your tile and linoleum floors this simple sanitizing treatment:

Wash the floor with warm suds, and rinse. Then wet thoroughly with a solution of 1/4 cup of PUREX Liquid Bleach to 2 gallons of water, and let stand for five minutes before rinsing again.

This is standard disinfecting procedure recommended by the U.S. Public Health Service. It gives true hospital cleanliness to your tile and linoleum floors...as well as removing stains, odors, footmarks and smudges. Colors come out fresh and bright again, too!

Try this treatment also for porcelain plumbing fixtures, stoves, refrigerators...or any porcelain or enameled metal surface. You'll be delighted with the bright result...and you'll know that you have anti-septic cleanliness, too!

PUREX is not only a highly efficient bleach and cleanser...it's an approved disinfectant, widely used in many hospitals. It is the type of disinfectant most widely recommended by Public Health Authorities.

PUREX has many wonderful uses...you'll find complete instructions on the label of each bottle. Try it!

# Plymouth

Is your "best buy"  
In the lowest-price field!

Recently a 1934 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

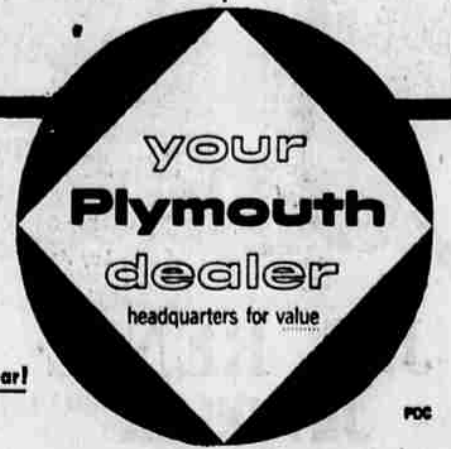

Plymouth is "best buy" in many ways. Here are just a few!

	low-price Plymouth	low-price car "A"	low-price car "B"
<b>Front Wheel Brakes</b> Plymouth engineers provide two hydraulic brake cylinders in each front wheel brake to ensure smooth, controlled stops without "grabbing." The "other two" in the lowest-price field have only one.	2	1	1
<b>Seat Springs</b> Plymouth uses coil seat springs since they give longer-lasting support. The other two cars have a zigzag platform type. Also, Plymouth's front seat "springs-on-springs" design adds more comfort.	2	1	1
<b>Piston Rings</b> Plymouth engineers use four rings on each piston, resulting in decreased carbon deposit; more consistent power output. Top ring is chrome plated to give greater oil economy, allow faster "break-in" driving.	4	3	3
<b>Body Mounts</b> Plymouth's thick live-rubber body mounts prevent metal-to-metal contact and protect body from shock and vibration. Just look at the difference between Plymouth's mounts and the thin type used by the "other two!"	2	1	1
<b>Micronic Oil Filter</b> This unit, standard on most Plymouth models, keeps abrasive dirt out of the engine, thus reducing wear and achieving greater oil economy. This feature is available at extra cost on the other two low-price cars.	1	0	0

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

### DANCE

The Moose Lodge has scheduled a benefit dance and box social at the Moose hall Saturday night at 9 o'clock for a fellow lodge member, Leonard Swanson, Chiloquin. Lodge members and their guests are to dress western style and there will be alternating swing and western orchestras providing music.

Swanson, for three years Collier Park superintendent, has been paralyzed for nearly sixteen months, lost his wife in March, and has three grade school age children. All proceeds from the dance will go to aid the family.

### SILVER TEA

The Winema Welfare Club of Tulelake (not the Tulelake Garden Club) will hold its annual silver tea at the Winema Farms on the Lava Beds road Thursday, May 13, at 2:30 p.m. (Daylight Standard Time).

Mrs. Kathleen Thompson will review the book, "Forty Odd," by Mary Bard.

All Ladies are cordially invited.
