Stop Those Horrid Lies

Your Skin is Telling About Your Age

Premature crow's feet at the corners of your eyes age often caused by skin dryness. Skin dryness is caused by your skin's inability to make enough lubricating cholesterol and esters. Penetrating Lanolin Plus Liquid used nightly as a cleanser—then a few extra drops gently massaged into your skin before retiring—next day a few more drops used as a powder base. This keeps your skin constantly supplied with an abundance of cholesterol and esters. Result: dry skin is overcome—premature dry-skin wrinkles quickly fade, giving you a surprisingly younger look. Get your Lanolin Plus Liquid today. Use it tonight. Actually SEE and feel a difference tomorrow morning. All this for but one dollar, plus tax.

* If you spent \$1,000, you could not get more beauty help than you get from a \$1 (plus tax) bottle of Lanolin Plus Liquid.
