Take it from me...
Bessy's Dairy Dishes

By Bessy the Bessy Bessy
 Modern kitchens "ain't wot they used to be."
 My boss says he can remember the day when his Ma scrubbed, sweated, simmered, skinned, and scuttled in a hot ol' kitchen that had to be hot 'cause of the cast iron stove, no ventilation and such.

Those days are gone forever. Few kitchens today are what they used to be 25, 35 or 50 years ago. But few kitchens today are as simply laid out as they might be, either. Nothing expensive, just a little serious planning and some "do-it-yourself" mixed in; the result would be proper cupboard space, adequate drainboard, ease in food preparation—serving—clean-up organization, and other very basic things like that.

You see, a kitchen is really one of the centers of family life, and as such should definitely be designed for it. Or at least decorated for it.
 You'll find, I'm sure, it's easier to work over that hot stove when there's a pleasant, cheerful surrounding than the dreary, dreaded somberness of a "just so" kitchen.

Take it from me, it can mean a lot.
 Another simple saver in the kitchen is milk—useful for everything from soup to nuts. Here's a delightful dessert recipe...

CHOCOLAT POTS DE CREME
 2 1/2 squares unsweetened chocolate
 3 cups milk
 2/3 cups sugar
 1/4 teaspoon salt
 5 egg yolks
 1/2 teaspoon vanilla
 Melt chocolate in a little milk in top of double boiler, over hot water. Add sugar, salt and remaining milk. Cook 'til chocolate is completely melted, remove from heat and slowly stir into beaten egg yolks. Return to double boiler; cover and cook over simmering temperature for 15 to 20 minutes or until thickens, stirring occasionally. Remove from heat, stir in vanilla. Pour into custard cups or serving dishes and chill. Serve cold with cream or milk.

Take it from me, this milk recipe will serve six, Bessy.
