U.S. Asian Plan Faces Problems

WASHINGTON (AP) — The United States may run into difficulty in setting up a collective anti-Communist defense for Southeast Asia without Britain — if in the showdown Britain refuses to go along.

The U.S. government is not necessarily aiming at the start for a formal alliance, but rather a practical kind of coalition which could be created more quickly.

President Eisenhower told a news conference Wednesday he thought a workable defense might be constructed if New Zealand and Australia — both members of the British Commonwealth — and the proper Asian nations were willing to cooperate.

Webb, who leaves today, told newsmen that in general he felt there was "a substantial identity of views" between him and Dulles.

Jury Finds Official Guilty

OLYMPIA (AP) — Samuel Emmanuel, former secretary of the State Land Board, was found guilty Friday on two counts of asking for bribes in connection with state timber deals.

A Thurston County Superior Court jury of nine men and three women returned their verdict shortly after 10:30 a. m., some 18 hours after they were given the case.

Emmanuel termed the verdict "preposterous." His attorney, Lee Olwell, said he will move for a new trial.

The jury found Emmanuel guilty of soliciting bribes from Charles Hovey, Vancouver timber buyer, and Don McEachern, Longview logging operator, for using his influence to help them obtain state timber.

Two other bribery charges against Emmanuel were dismissed by Judge Charles T. Wright before he gave the case to the jury at 4:29 p. m. Thursday afternoon.

The counts stricken charged that Emmanuel accepted a \$1,000 bribe from Ben Wirkkala of Nagelle and solicited a bribe from Albert Wirkkala in connection with state timber deals.

After the jury brought in its verdict and the judge had failed to give the jury certain instructions requested by the defense.

In a previous trial, another Thurston County jury found Emmanuel guilty on the Hovey charge but disagreed on the McEachern accusation.

His attorney said he will appeal to the State Supreme Court if a new trial is not granted.

Rhee Party Wins Majority

SEOUL (AP) — Unofficial returns from almost 90 per cent of South Korea's 203 Assembly districts indicated today that President Syngman Rhee's Liberal party won a majority of the one-house legislature in yesterday's election.

Thirty-five unreported districts were in rural areas where Rhee's candidates were strongest.

Unofficial returns give the Liberals 88 of the 203 seats with Independent candidates getting 64, Democratic Nationalists 14 and Korean Nationalists 2.

There were predictions that final returns would give the Liberals their goal of 110 seats or 8 more than a majority.

The victory was at least partially a personal one for Rhee. His party did not control the last Assembly and he appealed to the people for a working majority in the next house.

Apparently the estimated eight million voters—about 90 per cent of the electorate—gave him what he asked. And control of the Assembly could lead to an extended term as president for Rhee. Only the Assembly can change a constitutional clause ending his term in 1956.

Police Seek Vandals

Considerable damage to windows in offices and truck camps was done last night in the Spring Street industrial area, apparently by would-be burglars, according to city police.

About 3 a.m. this morning Wilford Holman, Bend truck driver, reported to police that he had just completed checking his load of produce at Pacific Fruit and Produce Co., when he noticed a man throw a rock through the left cab window of his truck.

In checking the area officers in the prowl car found windows broken on the two Sears Roebuck delivery trucks, also a window in the warehouse knocked out.

A further check of the general area disclosed that Peyton and Co., 833 Market and Harper's Manufacturing Co., 719 Market had been broken into.

Following an investigation this morning, police reported, apparently nothing had been taken at any of the three places.

Former Russian Agent Testifies

WASHINGTON (AP) — A Russian secret agent who recently balked at carrying out an assassination assignment and instead gave himself up to the West was called to testify publicly today before the Senate Internal Security subcommittee.

An interpreter was to translate Nikolai Knokhlov's story of how he was assigned by the Soviet secret police to assassinate an anti-Communist leader in West Germany and how, instead, he tipped off his intended victim and asked for asylum in the West.

Knokhlov has been permitted to enter this country temporarily under the auspices of the State Department.

Amount of Food Relief Reported

NEW YORK (AP) — Protestant, Jewish and Catholic relief services have shipped \$52,228,015 worth of government surplus foods to needy areas overseas in the past year.

In a joint announcement yesterday, the services said the shipments included 155 million pounds of butter, cheese and powdered milk.

The surplus was released by the government on condition the relief agencies take over distribution. The religious groups also took care of the handling costs.

Army Hearings Resume Mon.

WASHINGTON (AP) — Democrats on the Senate investigations subcommittee took a stand Friday the public is entitled to hear anything "relevant" to the McCarthy-Army dispute in transcripts of monitored telephone calls.

They put themselves on record with a stipulation sent to acting Chairman Mundt (R-SD) authorizing use on that basis of any transcripts there may be of their own telephone talks.

Their action came as the subcommittee staff prepared for reopening of the hearings next Monday and Sen. McCarthy blasted at the Eisenhower administration's secrecy order as "taking the fifth amendment."

Quelling speculation he might never go back to the hearings, McCarthy said, "I'll be there Monday."

But, just before leaving for Wisconsin on a speech-making trip, McCarthy told a reporter he plans in the next few hours to give a lot of thought to "what we may do Monday if they (the White House) keep this secrecy order in effect."

McCarthy is to speak at a Chamber of Commerce function in Ft. Atkinson, Wis., Saturday night. He said he will "speak about the hearings" and possibly announce "what we'll do on Monday."

BEND (AP) — The McKenzie highway between Eugene and Central Oregon again is in use. Highway crews cleared it of the snow that had blocked the route since Dec. 4, and cars began moving over the route Thursday.

Man Rescued From Locked Car Trunk

MIDDLETOWN, N. Y. (AP) — Fred Mueller, a "missing person" since Tuesday, was rescued yesterday from the locked trunk of his automobile.

Mueller, 55, said he became ill Tuesday afternoon while operating his car about 50 miles from his home here. He said he decided to rest in the trunk, and the lid snapped shut.

Police had a missing person alarm out for him. A motorist slowed by traffic on a road near New Paltz, N. Y., heard Mueller pounding on the trunk lid and got him out.
