QUESTION OF THE WEEK
Q. Is it possible to a GI loan to buy residential property containing more than one family unit?
A. Yes. However, if one veteran is buying, the total number of separate units he can get is four.

ALL as a result of CURRIN'S and COTY... all as a result of the big VALUE, "Cupid in Disguise," a WHOLE dram of COTY PERFUME that usually nicks you for \$2 now GOING for \$1!

MAKE IT FROM ME girls... stay Smart and Healthy
By BESSY, The Basin Bossy
Notice how both tight skirts and those that billow and swirl are in the vogue this year? And the styles are charming, indeed. But either way, a trim figure means a lot. Tight skirts over extracurricular bulges—you know what they look like. And hippy gals in flare skirts find there's no real camouflage for extra weight.
Dorothy Collins, who gives a popular cigaret brand real personality on TV, plops up with a real nice ear-and-hair comb arrangement recently. They were earrings, I'm sure, but they included her whole hair from her ears to the back. Her hair style was a modified page boy, and the decorative accessories curled about the roll as prettily as Springtime.
New twist, Kentucky Colonel bow ties are ready to buy at some men's stores—the clip-on variety, of course. They're delightful with light Spring blouses. Colors come in bright reds, yellows, blues and greens.
Bathing suits are sprightly as you want them this season. Accents are on casualness, freedom and practicality. And they still look like a million dollars. As has been the trend, colors are many and varied—all calculated to garner a glance or several from the male platoons in the neighborhood.
Sunshine is a must, true. But a creamy, smooth complexion is the perfect one to reveal to the sun's warming, tanning rays this summertime. Might I suggest you make it a healthy practice to prime yourself continually for that skin of satin smoothness by doing one thing—as important as anything else you do—and keep your complexion good: Drink MILK.
It offers more than sunshine itself—and, by the way, includes the sun's very own Vitamin D right in it.
You can't beat that, no matter how hard you try.

Looking For...
EXCITEMENT... want the whales to roar... hope that folks will look again and wish that there were more... like YOU on the beach in a SWIM SUIT from TOWN SHOP? ... Well... it's EASY if you'll ask for a CATALINA... a ROSE MARIE REID or a COLE of CALIFORNIA in one of the "beau-catching" beauties we found this week... TOOK ONE look at the windows and went right IN to TOWN SHOP to find SWIM SUITS for EVERY figure, in dynamic-loaded fashions... these "little-girl-again" BLOOMER suits that do a million dollars worth of "diplomacy" for YOUR figure.
SHIRRED sweeties in faille... cuties in COTTON... nifties in nylon and VERY glamorous VELVETS from \$6.95 to \$35.00 at TOWN SHOP...
Ask for "Darlin' Daughter" with puffs and puffers in blue faille... "American Girl" buttoned and tabbed in brown... "Pixie Puff" in navy, shirred to shield you... "Buzzin' Around," a pink pretty in bloomer style, all bouncin' with BEES... "SUCCESS STORY" with little SKIRT for FULLER FIGURES (you don't need to be a SLIM-JIM to wear SWIM SUITS from TOWN SHOP!)
Look for built-in BRAS that "hold you—mould you"... ELASTIC shirring like your very own SKIN... ZIPPERS that won't leave you "babe-naked"... look for BIKINI briefs that leave EVERY possible INCH to the sun, giddy and gaudy FUN fancies...
Look to your laurels in "O-O-H and A-A-H" black VELVET with bosom-beautifying band of black SEQUINS, shirring to show your shell your svelte sweetness... don a WHITE faille and rhinestones for whistle-bait and boardwalk promenades.
Trip tidily in beach shoes of terry cloth... lie lazily on beach towels, but don't even START toward the briny brine until you've INVESTIGATED with verve, the CATALINA... ROSE MARIE REID... the COLE of CALIFORNIA swim suits at FIFTH and MAIN, TOWN SHOP.

Her Eyes Are On
the future, peering through the looking glass of time... she's a sweet and pretty GRADUATE, someone's gal friend, YOUR daughter, the little girl next door, the child your DAUGHTER bore and she calls you GRAM... maybe she's your BABY sitter, but WHOEVER she IS, she's feminine, loves to look into a mirror, to cover her blushes with powder and outline her lips with the help of a COMPACT from RICKYS.
Because WE'RE still young in heart and the we danced through the "wicked" 20's... we took a LOOK to help YOU decide on those HEAVENLY ELGIN AMERICAN masterpieces.
The "carryall" with spots for "mad money," comb, cigarettes and powder... a "singing" compact that plays "Let Me Call You Sweetheart," unless you want to be VERY quiet and then you push a "plug," JEWELLED darlings and Mother of Pearl tops... engraved honeys and one with "Buttons 'n Bows"... a clever one with a spot for HER very own INITIALS... one with a little PILLBOX should she have a tummy ache from EXCITEMENT over that ELGIN AMERICAN COMPACT from RICKYS.
This is the TIME to START shopping for those GRADUATION GIFTS... LASTING ones that will remind HER every time she looks in her COMPACT, \$4.95 up to SEVENTH and MAIN, RICKYS

GARY COYNER

Vet's Mailbag

Summer school, starting within the next few weeks, will provide the last chance for thousands of post-Korea veterans to start training under the Korean GI bill, Veterans Administration said.
The veterans who must act in a hurry, if they want GI schooling, are those who were discharged or separated from service before August 20, 1952, and who have not yet taken advantage of the GI training benefit.
Under the law, they must enroll in, and actually begin, an approved program of training before August 20, 1952, in order to continue afterwards. For veterans who fail to act in time, the chance to train will be gone for good.
The problem facing school-going veterans is that few summer schools will be in session on the August 20 deadline date, VA explained.
For that reason, these veterans will find that summer classes, setting under way shortly, will be the last classes in which they can start training before the cut-off date.
For veterans planning GI on-the-job training, the need for action is just as important, if not so immediate. Job training programs also must be started by August 20.
The August 20 deadline for starting applies only to post-Korea veterans who left the service on or before August 20, 1952, VA emphasized. All veterans separated after that date will have two years from the time of their release to begin.

Dorothy Collins, who gives a popular cigaret brand real personality on TV, plops up with a real nice ear-and-hair comb arrangement recently. They were earrings, I'm sure, but they included her whole hair from her ears to the back. Bathing suits are sprightly as you want them this season. Accents are on casualness, freedom and practicality. And they still look like a million dollars. As has been the trend, colors are many and varied—all calculated to garner a glance or several from the male platoons in the neighborhood.
Sunshine is a must, true. But a creamy, smooth complexion is the perfect one to reveal to the sun's warming, tanning rays this summertime. It offers more than sunshine itself—and, by the way, includes the sun's very own Vitamin D right in it.
You can't beat that, no matter how hard you try.
