

TAN WITHOUT BURNING this summer, at home or at the beach. Try this new, easy to use suntan spray created by Helena Rubinstein to effortlessly cover hard to reach shoulder and back areas, give you maximum protection from the sun's ultra rays. Non-greasy, water-repellent Suntan Spray has a delightfully woody aroma, feels deliciously cool as you apply it to your skin. Blended in are soothing oils in combination with a special new body softening ingredient to keep your skin satin soft, miraculously smooth while you tan.

Langell Valley

By CORA LEAVITT
Ted Rowcliffe, Bakersfield, has been visiting the Tex Hiltsons. On Wednesday evening Ted and the Hiltsons were dinner guests of the Wes Dearborns.
Mr. and Mrs. Sam Frazier and her sister, Minneapolis, Minnesota, spent several days with the Harry Frazier's. Sam is Harry's oldest brother.
Mary Jo Graves spent last week at the coast and is now spending a week at Stockton.
Mrs. Bessie Campbell and her brother Jay Walker spent Sunday at Ashland.
Hazel Morrison and her mother, John Day, spent Friday with Mr. and Mrs. Paul Moore.
Mr. and Mrs. Enos Bland and daughter Debbie, Macdonald, spent Sunday with the Claude Brown's. Mr. and Mrs. Homer Roberts were also dinner guests.
Mrs. Alfie Ray has returned to her home at Redwood City after spending some time with her daughter Mrs. Eugene Oip and family.
Over 50 friends attended church at St. Barnabas Sunday and stayed for the potluck dinner given in honor of Mr. and Mrs. Jim Miller and family. The Millers were given a farewell gift from their friends.
Mrs. Myrtle Brett, Klamath Falls is spending this week with her son Bob Brett and family.
The Altar Society of St. Frances Cabrini have a small gift shop at Lorella store, where one may purchase handmade articles for showers and other gifts.
Mrs. Alice Miller and son Dick, Tucson, Arizona, spent a week with the Harry Martins.
Mrs. Nellie Quirk, who is here from Tacoma visiting her daughter Mrs. John Sullivan, also spent a week at Malin with the Stanley Johnson family.
Mrs. Kate Phillips is here

Fort Klamath

By MYRTLE WIMER

Esther Ann is the name chosen by Mr. and Mrs. Patrick (Paddy) Keenally for their daughter, born May 14 at the Klamath Valley Hospital. Mother and daughter were brought home last week. Keenally is employed as year round ranch hand by Joseph C. McAuliffe in his local and Cottonwood, California stock operations.

Mr. and Mrs. Bert Gray returned May 18 from the Spencer Creek egg-taking station of the Oregon State Game Commission near Keno, where they had been since May 11. Friday evening they motored to Diamond Lake as weekend guests of Mr. and Mrs. Frank Strahan at the latter's summer cabin.

Mr. and Mrs. Bert Gray have received word that their son Don and wife, of Stockton, flew to New York where they will visit Mrs. Gray Jr.'s, relatives during their vacation. They will return by plane.

Mrs. Harry Brown returned to her home at Porterville, California, after a stay of several weeks with her daughter and husband, the William Zumbruns, at the Zumbrun ranch.

Mr. and Mrs. J. P. McAuliffe spent the weekend at their Fort Klamath home, returning Sunday afternoon to their ranch at Cottonwood, California. Friends of Mrs. McAuliffe's brother, Pete O'Connor, will be glad to hear that he has almost recovered from a stroke of paralysis suffered last summer which necessitated lengthy stays in hospitals in Klamath Falls and Red Bluff. Pete is a well known, long time Klamath county resident, and is at the Cottonwood McAuliffe ranch at the present time.

Saturday afternoon visitors at the home of Mr. and Mrs. Norman Van Iderstine were Mr. and Mrs. A. H. Patterson, Midland, and Paul E. Weston, Stockton. The Van Iderstines are originally from Stockton. Weston delivered greetings to Mr. and Mrs. Van Iderstine from George Buttrick, a former Stockton neighbor.

Mr. and Mrs. Stewart Nicholson spent the weekend at their home here, driving up from Corning, where their cattle have been on winter pasture until shipped here recently. Their daughter Marie attends Corning High School, and was recently chosen yell leader. The three will return to their Fort Klamath ranch when the school term is ended.

Mr. and Mrs. James F. Van Wormer spent the weekend at Bly with Mr. and Mrs. Bill Branham and sons Danny and Davey.

Weekend house guests at the home of Mr. and Mrs. Wesley Smith, were Mr. and Mrs. Glenn Smith, Wesley and Janet, Klamath Falls.

Late returning cattlemen and their families include Mr. and Mrs. Jim Owens; Mr. and Mrs. J. L. (Doc) Helms and son Robert; Mr. and Mrs. Patrick McAuliffe and children; Mr. and Mrs. Joseph C. McAuliffe and family, and Mr. and

DuBARRY FLATTER-PLUS, a compact version of two famous beauty aids, is the new compressed powder so silken-smooth in texture it keeps your skin looking dewy fresh... and color-lasting DuBarry lipstick formulated to your lips stay richly colored for hours longer.

Mrs. Bill Owens and children.

Local loggers employed in the Modoc Lumber Company's Beaty woods operation returning to their homes here for the weekend included: Robert Taylor, Ober Brown, Thomas O. Dyche, Gus Culver, John Mullanix, Dennis Kuowies, Gene A. Page, Mike Beaulieu and Fred McQuiston.

Work started May 3, on the Black Hills unit of U.S. Indian Forest Service timber near Beaty. Cutting of the approximately four million feet of pine timber will be completed in July, the company will move logging equipment and crew back to the Seven Mile division of U.S. Forest Service timber west of here, where logging

was shut down by snowfall late last fall.

Logging superintendent for the company at both places is Donald P. Veatch; woods foreman is Bill Dubois, Chilquin, and Dennis Knowles, Fort Klamath, is scaler.

Mrs. Loren L. Miller Jr., made a trip last Monday to Red Bluff, accompanied by Mrs. Don Wimer, who visited with her parents. The Millers are moving back to their Fort Klamath home this week with their family of three sons and two daughters, Sons Greg and Jeff have been boarding students at Sacred Heart Academy, while their parents, brother Mark, and sisters Marianne and Pat wintered at Red Bluff.

TABLE TREATS

FROM THE FAMOUS
M.C.P. KITCHEN LABORATORY
COPR. 1953 MUTUAL CITRUS PRODUCTS, CO.
ANAHEIM, CALIF.

THE BEST JAMS OF ALL ARE NOW
MADE WITHOUT COOKING OR BOILING.

WHY IS THIS SO? Because it's the cooking and boiling that causes loss of fresh fruit flavor. M.C.P. PECTIN'S original, exclusive uncooked jam recipes (introduced a year ago) do away with this... make jams with 100% fresh fruit flavor; use less fruit and sugar, yet get more jam (for nothing is cooked away). And imagine — no working over a hot stove! Make your FRESH BERRY JAMS the M.C.P. uncooked way... and see the difference!

HERE'S THE RECIPE:

1. Wash, stem, crush thoroughly enough berries to make 4 level cups; put in 2 or 4 qt. kettle. Sift in slowly 3/4-cup package M.C.P. JAM AND JELLY PECTIN (no other will do), stirring vigorously. Set aside 30 minutes, stirring occasionally to dissolve pectin fully.
2. Add 1 cup light corn syrup. Mix well.
3. Measure exactly 5 1/4 level cups beet or cane sugar into dry dish; gradually stir into crushed berries. Warming to 100°F. (temperature for baby's milk) will hasten sugar dissolving. No hotter, please!
4. When sugar is dissolved, jam is ready to eat. Makes 4 full pints. (Note: For Strawberries, add 1/4 cup lemon juice in Step 3, after sugar is dissolved; mix well.)
5. Because these are uncooked jams, never store them on pantry shelf. They won't keep without refrigeration. To keep for a month or more, chill for 24 hours in freezer, or freezing or ice cube compartment of refrigerator. Then, store as you do milk and use as desired.

IMPORTANT! Complete recipes for both cooked and uncooked jams are now being packed in the M.C.P. PECTIN package. If recipe folder you get does NOT include the uncooked jams, write M.C.P. Co., Anaheim, Calif., and they'll be sent promptly.

WHY NOT GIVE THE YOUNGSTERS A TREAT THAT'S GOOD FOR THEM?

PURE LEMONADE!... Everyone likes it, and it's so wholesome, too; not like so many beverages that taste good but aren't really so good for us. However, lemonade made with M.C.P. CANNED LEMON JUICE is pure... for M.C.P. LEMON JUICE is pure, unadulterated, full-strength, rich in Vitamin C. It's NOT "reconstituted" juice... contains no preservatives of any kind, such as unwholesome sulphur dioxide or benzoate of soda. (Watch out for this in buying lemon juice, canned or bottled — read the label carefully.) M.C.P. LEMON JUICE costs less than home-squeezed... is ready for instant use for every household need. Write for a FREE Recipe Folder to the M.C.P. Kitchen Laboratory, Anaheim, California. (There's M.C.P. FROZEN LEMON JUICE, too. If your grocer doesn't stock it, he can get it for you.)

I always buy **CLOROX**
for two reasons!

CLOROX makes linens more than white
... it makes them sanitary, too!

There's more than ordinary whiteness in a wash that's Clorox-clean. Yes, dulling dinginess is gone, stains are removed, even scorch and mildew disappear. There's added health protection, too. For remember, no other home laundering product equals Clorox in germ-killing efficiency!

But there are more than two good reasons for always using Clorox in laundering cottons and linens. Clorox deodorizes. It conserves linens, too, for it's extra gentle, free from caustic. In addition, Clorox, a liquid, contains no gritty particles to damage wash and washer.

Disinfect bathroom germ centers regularly with **CLOROX**!

That's really good advice. For in routine cleaning of wash basin, shower, tub and toilet bowl, Clorox not only removes stains and deodorizes, it also disinfects... provides a type of non-poisonous disinfection recommended by hundreds of public health departments. See the Clorox label for the many ways Clorox helps you protect health as you clean.

You get all these benefits in a Clorox-clean wash!

1. Heavy-white linens... Clorox removes gray and yellow dinginess.
2. Bright fast colors... Clorox removes dulling film.
3. Lovely-looking linens... Clorox removes ugly stains, even scorch and mildew.
4. Fresh, clean-smelling linens... Clorox deodorizes.
5. Sanitary linens... Clorox is the most efficient germ-killer of its kind.

When it's **CLOROX**-clean... it's **SAFER** for family health!
