Motorists Jump To Avoid Crash

VANCOUVER, B. C. (AP) - Richard Wieke of Salem, Ore., jumped from his car which was stalled on a railway track here, seconds before it was demolished by a Great Northern freight train Wednesday.

A woman, identified by officers as Mrs. Wilfred Trevelan also jumped to safety. Neither was hurt.

The train, which was going about 30 miles an hour, pushed Wieke's car 500 yards down the track before coming to a halt.

Disaster Claims Record Holder

WASHINGTON (AP) - Lt. Wallace Rich, 28, killed yesterday in the explosion aboard the carrier Bennington, was one of the three Navy pilots who last month set a new unofficial cross-country speed record, the Navy said today.

The Navy said he made the flight last month in an F9F jet from San Diego, Calif., to New York, a distance of 2,438-miles, in 3 hours 47 minutes 9 seconds.

Our reduced Auto Insurance rates are on the same high quality policies as before. Hans Norland, 27 Pine St.

Johnny Weissmuller Tells Of Tarzan Movies Success

By BOB THOMAS

HOLLYWOOD, May 27 (AP) - "I went into the jungle with a bunch of tinmedals and came out with gold."

That was Johnny Weissmuller's reflection on his 23 years in the movie business. Now well fixed because of his earnings in African movies, the onetime swimming champ says he may retire in another two years.

"I've had it," he says. "In another two years, I'd like to give up the jungle life and retire. "Don't worry about me finding something to keep my busy. I'm a guy who likes his leisure. I'd be perfectly content to spend my time skin-diving, playing golf and just relaxing."

There's only one element that might upset his plans—TV. Right now a deal for a series is being whipped up. His agents and business managers are hot for it, but Johnny isn't enthusiastic. He doesn't like to work that hard. That's understandable. He probably does less work for more money than any other performer in Hollywood. For the past eight years, he has been doing the Jungle Jim series, in which he shares the profits. He does three a year. Not bad, considering the films take a mere nine days apiece.

Movie making takes only 27 days out of his year. What does he do the rest of the time? Occasionally he takes out a water show, as he did in Las Vegas last year. But most of the time he simply enjoys life.

I must say that it agrees with him. I saw Johnny on the set of his latest Jungle Jim epic, "The Moon Men." He was up to his thighs in moon men—all the midgets and dwarfs in this area had been recruited for film. He'll be 47 next Wednesday, but he has the build and face of a much younger man.
