THIS SPECIMAN OF THE OSTEOLOGIST'S art was once a golden cocker spaniel, "Willy." The skeleton was assembled by Brian Arnold, Latin Class student, KUHS, who identified and marked every bone and tooth, wiring the parts together to form this perfect specimen, that demonstrates that the technical names of bones are derived from the Latin. Brian is employed after school hours by the Klamath Animal Hospital.

Dick Powell Now Producer Of Huge Hollywood Movie
 By BOB THOMAS
 HOLLYWOOD, May 31 (AP)—"I'm having the most fun of my life."
 This was Dick Powell enthusing and no wonder, he is maneuvering horses, camels and herds of Mongols and Tartars in a four million dollar production, one of the biggest movies in Hollywood history.
 The boy from Mountain View, Ark., has come a long way. Progressively a movie house emcee, film crooner and private eye portrayed, he has now blossomed out as a producer-director of epics.
 Powell has never produced a picture before. He has directed only one, a medium-budget thriller called "Split Second." Yet Howard Hughes is so sold on the fellow that he has given Powell the green light for what will probably be RKO's costliest movie.
 Not only that, but the enigmatic Texan also wanted Powell to take over as production boss of the whole studio. The ex-crooner turned it down, contending that he wasn't ready for such a post.
 When I saw Powell on the set of "The Conqueror," he was riding high. He was astride a camera boom many feet in the air, directing the entrance of horsemen into a palace courtyard.
 His relationship with the cast and crew appeared to be one of mutual respect. Powell is aware that he is on a spot. He personally interviewed 2,000 actors for roles in the picture, asking questions from morning to night.

19 Feared Dead In Plane Crash
 RIO DE JANEIRO, Brazil (AP)—Parachute rescue teams sped today to a mountainside 210 miles northwest of Rio where 19 Brazilians were believed to have perished in the fiery crash of a National Airlines plane.
 Meridional News Agency said the plane, carrying four crewmen and 15 passengers, crashed and burned yesterday on Cerro Cipo Mountain, 60 miles from Belo Horizonte.

Firing Squad Also Fire Fighters
 NORTH ANDOVER, Mass. (AP)—A National Guard firing squad performed a double duty at Holy Sepulchre Cemetery yesterday.
 The men no sooner fired the traditional volley of shots at Memorial Day exercises when they spotted a fire in a nearby parked car.
 They filled their helmets with sand and put out the blaze.

RITES
 ROME (AP)—Thousands of Roman Catholic pilgrims packed St. Mary Major Basilica Tuesday for the beginning of three days of services honoring newly sainted Pope Pius X.

Cease Fire In Indochina Still Drags In Geneva As French, Vietminh Confer

By MAX HARRELSON
 GENEVA (AP)—The snail's-pace progress toward an Indochina cease-fire inched along today with French and Vietminh military representatives scheduled to meet for talks to arrange opening of actual negotiations later this week.
 Meanwhile, the nine-party conference on the Far Eastern battleground was in recess for a day, snarled over Communist proposals for a "neutral" commission to police any truce that may be achieved.
 The French-Vietminh meeting today was called to work out preliminary details of negotiations I expected to begin Thursday — on the question of zones in which the rival forces would assemble if and when a cease-fire is effected.
 In the subsequent talks Col. Jules Fleurant is to represent France and Ta Ung Bui, Vietminh vice minister of defense, will attend for the Reds.
 New difficulties over the cease-fire question arose yesterday when the full Indochina conference came to grips for the first time with the problem of policing an armistice.
 The Communists proposed establishment of a Korea-type police body — part Communist, the rest non-Red — for Indochina. The Soviet Union nominated Communist Poland and Czechoslovakia, along with India and Pakistan. The West quickly objected, charging that the Korean Neutral Nations Supervisory Commission had failed to work because of vetoes by its Communist members.
 Debate will be resumed tomorrow when another secret session is scheduled. Soviet Foreign Minister V. M. Molotov is expected back from his Moscow talk by then.
 The conference planned to continue discussion also on other issues, including proposals for exchange of prisoners and prohibition of reinforcements from outside.
 The proposal for a four-nation supervisory commission was advanced yesterday by Soviet Deputy Foreign Minister Andrei Gromyko. Objecting to the Red proposal, U.S. Under Secretary of State Walter Bedell Smith cited repeated deadlocks on the Korean supervisory commission.
 Western delegates got the impression from the debate that the Reds would not accept any control agency unless it included Communist members with a veto. Smith for his part gave every indication that the United States would accept no such arrangement.
