STOCKS

WALL STREET
NEW YORK (AP)—Stocks drifted lower in the late afternoon Wednesday after some early progress failed to hold.
Most changes were small. The greatest swings in either direction usually were cut short at a point. Volume came to an estimate two million shares for the day. That compares with 1,850,000 shares traded Tuesday with the market a little higher.

Park Board Meeting Held

Mostly routine business was on the agenda for city park board and recreation committee members when they met in regular session Tuesday afternoon.
Bob Bonney, park and recreation director, announced that the electric kitchen, constructed in Moore Park, will be completed June 5. The frame building, located in the center of the picnic area, houses four coin operated units.
Remodeling of the rest rooms at Moore Park got underway Tuesday. The plumbing contract was awarded to Charles Lieb, low bidder with a bid of \$895. The remodeling is expected to be completed in about two weeks, according to Bonney.
W. C. Bower and Mrs. Dale Baxter, officers of the Klamath Archery Club, were present at the meeting to request park board help in the problem confronting them at their archery range.
According to Bower, the 14 targets are set up in park property outside the enclosure fence, in area decided by Ed Geary and used for cattle grazing. The archers are concerned about the possibility of shooting cattle which might be hiding from sight behind a target, and about the destruction of targets (backed by bales of straw) by the cattle.
Bonney and the archery representatives were instructed to plan the location of an additional fence to enclose the 12 acres needed by the club.

Complaint Filed Against Girl

A charge of following too close to another vehicle was the complaint filed in juvenile court today against a 16 year old Klamath Falls girl, following a three car accident near the intersection of Main and Spring, Tuesday evening.
Clarence Groves, 1434 Lakeview Street, had stopped behind another car waiting for traffic signals to change, when a car operated by Wayne Smith, 2221 Washington, slowing down to stop, was struck in the rear by a car operated by the young girl causing the Smith vehicle to ram into the Groves car ahead.
Smith's car was damaged both front and rear and the automobile operated by the girl slightly damaged, according to city police. None of the occupants was injured.

U.S. Horse Wins Epsom Derby

EPSOM, England (AP)—Never Say Die, a Kentucky-bred colt owned by Robert Sterling Clark of Opperville, Va., won the famous Epsom Derby Wednesday to become the second American horse in history to capture the great 3-year-old classic.
A 33-1 shot, Never Say Die took the lead with a quarter of a mile left and held on grimly for his victory over 21 others in the 17th running of the derby. Arabian Night finished second in a photo with Darius.
The only American-bred ever to win the derby until now was Ironquois, property of the tobacco tycoon, Pierre Lorrillard, in 1881. The last American-owned colt to win was Durbar II, in 1914. Durbar II was French-bred and owned by W. C. Dryden.

Tundra Cemetery Dedication Set

MOSCOW (AP)—A five-man official party representing the United States, Britain, Pakistan, Canada and Norway headed for the Arctic tundra country outside Murmansk Tuesday to dedicate the first Allied military cemetery in the Soviet Union.
Four Americans, 20 Englishmen and three Pakistanis who lost their lives in supply convoy runs to the Soviet Union in World War II are buried in a small cemetery at Murmansk.
The Rev. Harold Isherwood, chaplain of the British Embassy in Moscow, will preside over June 3 dedication. About half the size of a tennis court, the cemetery plot is located atop the brow of a hill rising from the tundra.
