To The Voters Of Siskiyou County

I wish to take this opportunity to thank each and everyone of you for the wonderful way you received me in your homes, organizations and business houses. I only wish I could have met each of you personally but our county is a big one and time is so short.

I have traveled right down the line from all types of stores to hotels, motels, theaters, garages, service stations, churches and taverns. It seems that our good old American way of life where we are all created equal regardless of race, religion or our business profession is sometimes forgotten.

You no doubt have heard of the Dorris incident. I feel that the citizens have the right to know the true facts. In my fifteen years of law enforcement I have never been relieved of my duties and the very week and only excuse (because I didn't have a leave of absence) seems a little far-fetched. I have never been known to throw mud but the citizens of Butte Valley who do know the truth about it feel that it is strictly to discredit me in my campaign. I said once and I will say again—I did have a leave of absence.

Betty Gravier, a Dorris County woman, Manley "Jack" Gravier her husband (who was appointed Constable and deputy sheriff at Cotter's request) and Sheriff Cotter himself were seen together after the Eino Rodeo at the Eino Tavern for several hours by a good many people and among them were Mr. and Mrs. Russell Howard, Mr. and Mrs. S. H. Reeves, and Mr. and Mrs. Charles Arndt just to mention a few from Butte Valley. The next evening the Dorris City Council met and I was fired. Now how does that look to you?

While working the county the past 7 weeks I have as yet failed to spend one day contacting people that I haven't seen at least one deputy sheriff out working for Cotter at the voters expense. Do you realize these men are drawing salary plus mileage? The Sheriff's Office states a little less than .03c of each tax dollar is used to run his department but he did not state that the revenue for Siskiyou County amounted to approximately \$9,000,000.

Mr. Cotter has harped to the churches, the Christian people throughout the county, about his clean, honest administration and started rumors that if I was elected sheriff my intentions were to open up Siskiyou County. I say, and (you voters must agree) that Mr. Cotter must first close the county before it could be opened.

As you know there has always been vice in this county during his administration and it can be proved he has misled the church people on this subject. Not long ago at a church gathering in Dorris where Mr. Cotter was speaking, a good Christian lady asked him if there were any houses of ill repute operating at this time in Siskiyou County. His answer was emphatically NO! Not during his term of office. Now if you want the true facts, just read the article in the March 24, 1954 issue of The San Francisco Examiner pertaining to Siskiyou County.

During the three years that I was Chief of Police of Dorris we had no vice in our town and we went for 2 years without a juvenile case.

I want the public to know that I have made no commitments or promises and that I have no special privileged characters running around Siskiyou County that can ask for favors.

My post has no black marks and is an open book so if the sheriff would like to compare characters, he is most welcome to do so. As for my experience in law enforcement work I have a briefcase full of recommendations from very responsible people pertaining to every position I have held. These recommendations are available for the public's inspection.

Incidentally, if the voters are wondering how the Butte Valley Star (Dorris Weekly Paper) stands in this election, they are supporters of Cotter and have placed bets against me.

Again I would like to thank each and everyone of you and regardless of how we cast our ballot it is our duty to vote so let's all go to the polls this coming June 8th, 1954.

Sincerely,
Fenton R. Mahrt
