TURKEYS

GOOD EATING

Remember the old days when you had to wait 'til Thanksgiving or Christmas to enjoy the fine eating offered by a luscious turkey? Thank goodness, the perfection of modern freezing makes it possible to bring you this "Holiday" pleasure any time of the year. These are fancy, mature 12 to 16-lb. hens. A 325 degree oven at 25 minutes per pound is recommended cooking time. Each one is thoroughly cleaned and ready for stuffing.

U.S. Choice Grade RIB ROAST of BEEF

These "U.S. Choice" ribs have been hanging in our meat warehouse carefully aging to bring out their finest flavor and tenderness. After very expert trimming, they were rushed to your neighborhood Safeway meat market. There, an experienced meat cutter again carefully trims them and prepares them for perfect roasting and easy slicing. They're now ready for you at a special reduced price.
