Firewater Causes Of Indian Trouble

PHOENIX, Ariz. (AP)—Firewater, reasoned a Navajo Indian, called for firewaters.

So, George Begay Harrison touched off a stack of dynamite that almost ruined a \$10,000 power shovel on the reservation.

Yesterday he won a five-year suspended sentence on the condition he leaves liquor alone.

Cancer Research Fund Given Money

CHICAGO (AP)—The Italian Welfare Council, organized in 1946 to foster the general welfare of indigent Italian people, agreed last night to dissolve and turn over all of its assets of \$400,000 to the Damon Runyan Memorial Fund for Cancer Research.

Anthony V. Champagne, council president, said that directors and members felt the distribution to the Runyan fund will accomplish the greatest good for all people. The council had 621 members.

WINNER in the "Most Unusual Pet" classification at the Big Y Pard Pet Parade Friday at the Big Y Market, 4710 South Sixth, was Mike Wiggins with his basket of puppies. He is the son of Mr. and Mrs. Hampton G. Wiggins, 2144 Gary.

Big Y Holds Pet Parade

Apparently dogs are the most popular show pet among the small fry in Klamath Falls.

In any event, dogs of all sizes, breeds, colors and ages were brought to the Big Y Pard Pet Parade Friday morning at the Big Y Market, 4710 South Sixth.

Ron Phair, operator of the market, Paul L. Stewart, local Swift & Company manager, and Bill Kernode of Portland's Swift & Company office were on hand to check entries.

The little Pard puppy which had been flown in by United Air Lines from Portland went to Nannette Meyer, 5309 Alva, who guessed closest to the exact age of the dog. The pup was born Easter Sunday, April 18, at 10 p.m. The crowd registered general approval at the winning guess because Nannette and her family, recently moved here from California, had lost their own dog a short time ago.

Prizes were awarded in 11 classifications. Winners were: Most unusual pet, Mike Wiggins, 2144 Gary; Largest dog, Virginia Rangey, Airport Apartments 23-c; Ugliest dog, Shelby Holland, 801 Martin; Smallest dog, Bobby Burnett, 801 Division; Funniest dressed dog, Mary and Marie McLane, 5181 Bristol; Prettiest dog, Joy McElfresh, 3730 Summers Lane; Longest tail, Clint Hoffman, 2870 Homeland; Shortest tail, Claril Rathmaker, 3129 Crest; Longest ears, Lord Camrose, one of Britain's leading newspaper and magazine publishers, died of a heart attack Monday. He was 74.

"You can expect the most raiding in the best melon patch"

You can bet your bottom dollar on it.

Come next year, or the year after that, you'll be seeing on other cars some of the styling features you see in Buick today.

We expect it. It has happened before. And there is good reason for it - popular appeal.

Take, for example, the car model shown here.

We call it a Riviera. Most people call it a "hardtop."

When Buick introduced this body type in 1949, it was a completely new thing. And it was an instant hit.

Today, Buick "hardtops" outsell all other models in the line. It's the styling America has taken to its heart.

So today you find that every major car maker has his own version of this Buick original. (And we can't blame them a bit. They know a good thing when they see it.)

Maybe you've noticed other such borrowings from Buick.

The diagrammatic sketch shown here lists some of the Buick advances that are now reflected in the styling of other cars - or will be soon.

For you can be sure that the great panoramic windshield first shown by Buick this year will be copied. It's too good to pass up.

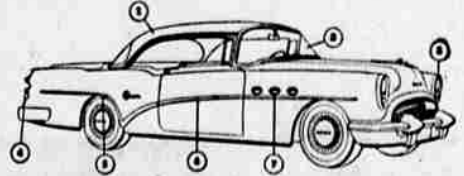

And you can be sure that the full rear-wheel cutout now on every 1954 Buick Riviera and Convertible will show up elsewhere in the future. It's a sports-car touch that hits a really popular note.

We're sure of such things.

We're sure because the tomorrow-styled Buick of today seems to be just what people want. Because Buick sales are soaring. Because Buick now outsells every other car in America except two of the so-called "low-price three."

So to you we say - why wait another day to see and drive a new Buick? It's the beauty of the year. It's the buy of the times. And it's a wonderful way to head up the parade.

Drop in this week for a demonstration, won't you?

KEY TO SOME STYLING "FIRSTS" BY BUICK

1 Riviera "hardtop" body type 2 Panoramic windshield 3 Visored headlamp grouping 4 Hooded tail light assembly on Skylark 5 Full rear-wheel cutout 6 Fender sweep-spears 7 Ventiports (Remember Buick's first ventiports on front fenders! Some folks even bought copies of those chrome rings to put on jalopies!)
