9325 2—10

by Marian Martin

Sew-easiest—prettiest, too! It's a princess (no waist seams) with scalloped bodice above a flirty skirt. Be thrifty—use remnants of eyelet cotton with solid color, or plaid 'n' plain. Use this pattern again—there are two sleeve versions.

Pattern 9325: Child's Sizes 2, 4, 6, 8, 10. Size 6 dress takes 1¾ yards 35-inch. ⅝ yard contrast.

This easy-to-use pattern gives perfect fit. Complete, illustrated Sew Chart shows you every step.

AGREEMENT

NEW DELHI, India (AP) — The United States signed an agreement with India Wednesday providing $305,000 for technical aid.

Under the pact 10 U. S. production experts will help India's metalwork industries boost output; five will assist the development of privately owned newsprint sources and others will aid in other ways.

SMUGGLERS

KOBE, Japan (AP) — Police in this central Japanese port have uncovered a 100 million dollar smuggling operation—the biggest since World War II, Kyodo News Service said Wednesday.

Stop Those Horrid Lies

Your Skin is Telling About Your Age

Premature crow's-feet at the corners of your eyes are often caused by skin dryness. Skin dryness is caused by your skin's inability to make enough lubricating cholesterols and esters. Penetrating Lanolin Plus *Liquid* used nightly as a cleanser—then a few extra drops gently massaged into your skin before retiring—next day a few more drops used as a powder base. This keeps your skin constantly supplied with an abundance of cholesterols and esters. Result: dry skin is overcome—premature dry-skin wrinkles quickly fade, giving you a surprisingly younger look. Get your Lanolin Plus *Liquid* today. Use it tonight. Actually SEE and feel a difference tomorrow morning. All this for but one dollar, plus tax.

* *If you spent $1,000, you could not get more beauty help than you get from a $1 (plus tax) bottle of Lanolin Plus Liquid.*
