

AN ISLAND SETTING has been arranged for Saturday's aquatic show at the municipal pool, with these four swimmers slated for an appearance. From left to right: June Young, Jo Ann Brobst, Joanne Berthelson and Jackie Brown. The show, sponsored by the Toketee Lions Club, is open to the public for a matinee at 2:30 and an evening show at 7:30. A concession, that of L. P. Brockman, has been turned over to the Lions for the affair, seats have been arranged for and a good time for all guaranteed.

African Colony Elections Held

ACCRA, Gold Coast (AP) — Partial returns today from the Gold Coast's general election show Prime Minister Kwame Nkrumah's independence-seeking Convention People's party a clear majority in the British colony's new Assembly.

Nkrumah probably will be invited to form a new government later today when he meets on the colony's British governor, Sir Charles Arden-Clark.

With 89 of the 104 Assembly seats decided, Nkrumah's party had garnered a total of 88 to the combined opposition's 16. The balloting for the seats in this first all-native assembly in colonial Africa was held Tuesday.

The Convention People's party has been the dominant faction in the Gold Coast since 1946. It stands for complete independence of this 90,000-square-mile colony, south of the Sahara Desert in west Africa.

French Report Armed Action

HANOI, Indochina (AP) — The French high command today reported at least 39 Vietminh rebels killed and 30 captured in a flareup of small clashes across the Red River delta.

The high command said the actions yesterday occurred more to the northeast and south of Hanoi.

One action, however, was reported from Viet Nam's far northeastern coast, only a few miles from the Red China border. In a hit-and-run attack on rebel bases northeast of Tien Yen, French Union commandos killed 16 Vietminh and took 10 prisoners.

French warplanes continued bombing and strafing of guerrilla bases, some only 10 to 15 miles northeast of this French Union war capital.

Fighters and B26 bombers plastered upwards of 50 tones of high explosives and napalm fire bombs on Vietminh concentrations and bases in the Hai Duong area, the halfway point on the vital highway and rail route for American supplies from the port of Haiphong to Hanoi.

Other warplanes bombed and strafed rebel ammunition and supply convoys moving over routes leading from fallen Dien Bien Phu toward the delta.

The Vietminh are bringing up supplies for expected assault jumpoffs.
