

COFFEE-MACAROON PIE makes a wonderful dessert and it uses that last quarter-cup of coffee left from breakfast. Even though the coffee blends so well with the almond flavor that it's only hinted at, you'll find that it gives the pie a subtle affinity for the fresh hot coffee served with it.

CHEESE CAKE FOR DAD

Here's a brand-new refrigerator cheesecake that needs no cooking, can be made beforehand.

CHEESE CAKE

- 2 envelopes unflavored gelatine
- 1 cup sugar, divided
- 2 eggs, separated
- 1 cup milk
- 1 teaspoon grated lemon rind
- 3 cups (3 8-oz. cartons) creamed cottage cheese, sieved
- 1 tablespoon lemon juice
- 1 teaspoon vanilla
- 1 cup heavy cream, whipped

Combine gelatine, $\frac{3}{4}$ cup of the sugar and salt in top of double boiler. Beat egg yolks and milk together; add the gelatine mixture over boiling water, stirring constantly, until gelatine dissolves and mixture thickens, about 10 minutes. Remove from heat. Add lemon rind. Cool. Stir in sieved cottage cheese, lemon juice and vanilla. Chill, stirring occasionally, until mixture mounds slightly when dropped from a spoon. Beat egg whites until stiff, but not dry. Gradually add remaining $\frac{1}{4}$ cup sugar and beat until very stiff.

BEAT THE HEAT with cologne — it's a wonderful cooler on a hot day. Its refreshing effect on the skin is immediate and it actually helps lower body temperature. Chezy, the famous perfumer, offers Frosty Bouquet, a cologne created specifically for scorching weather. Lighter than winter colognes, it is meant to be used and enjoyed as lavishly as you like. Since the fragrance is lingering, you yourself will enjoy it all day and don't be surprised if it brings compliments your way. Prolong the feeling of coolness during the day of applying cologne on your wrists, temples and arms. If you work, keep a bottle in your desk. Smooth some on palms to remove moist and sticky feeling. Cool and scent scalp with cotton soaked in cologne. A pleasant habit is rinsing your hair brush in water lightly scented with cologne after washing the bristles with sudsy water.
