## McCarthy Wins News Vote Poll

CHICAGO (AP) — The Chicago Tribune's poll on the McCarthy-Army hearings ended last night with 70,036 persons casting ballots and 91.2 per cent voting in favor of the Wisconsin senator.

The poll, by mail and telephone, was held for six days and followed the 28 days of hearings in the McCarthy-Army controversy.

Those voting in the poll were asked to vote yes or no on two questions:

1. Do you believe Secretary Stevens and Army Counselor Adams and their advisers proved their charges that Sen. McCarthy and his staff exerted improper pressure to secure favored treatment for Pvt. G. David Schine, former committee aid?
2. Do you believe Sen. McCarthy and his staff proved their charges that Stevens, Adams, and their advisers sought to end the inquiry into communism in the Army by threats to circulate an unfounded report about undue favors sought for Schine.

The Tribune reported today that of the mail ballots, 51,824 voted for McCarthy; 4,816 for Pentagon (Army) and 602 were undecided. In voting by telephone, 12,026 were listed for McCarthy; 716 for the Pentagon and 53 were undecided. The total vote was 63,850 for McCarthy; 5,531 for the Pentagon and 655 undecided.

The Tribune said ballots were counted as "undecided" when the voter marked to show that he believed both sides had proved their charges or that neither side had proved its charges.

## Egypt Officer Faces Charge

CAIRO, Egypt (AP) — Col. Ahmed Shawkly, former officer commanding the Egyptian Infantry Corps, will appear before the Revolution Court Saturday on charges of conspiring to foment rebellion in the Egyptian Army and to arouse discontent among the military against the present regime.

The prosecutor's office issued an indictment against Shawkly yesterday 24 hours after a special military court had announced sentences up to 15 years against 18 army officers accused of attempting a coup d'etat.

The indictment said Shawkly also had established contact with certain circles "endangering state security."

## Herald Award To Be Made

The Herald and News Brand Names Award for the best ad in Wednesday's annual Roundup Edition will not be announced until the middle of July.

The award will be made for the ad judged the best promotion of the firm's own brands and the best promotion of the Klamath Basin Roundup.

The delay in announcement is because judging will be done by officials of the Oregon Advertising Club in Portland, which is in summer recess and whose officers are attending the annual convention of the West in Salt Lake City.

Herald and News and the winning ad will be reprinted.
