

WON BY A WHISKER
MILWAUKEE (U)—Danny O'Connell, hard-hitting infielder for the

Milwaukee Braves, believes he helped win three successive games for his teammates by a whisker.

The Braves beat the Dodgers 2-0 in Brooklyn and Danny regarded his failure to shave as a good luck sign. The next day he again skipped the razor and the Braves whipped the Brooklyn Dodgers 5-1. The following day the Milwaukee Club, with bewhiskered O'Connell in the lineup, knocked off the Pirates 4-2. When the Braves dropped their next contest to the Pirates by a 3-2 score, Danny decided to take on the lather.

Machine To Test Drunks Reported

TOKYO (U)—Japanese scientists report they have developed a method of testing drunkenness by measuring brain waves. The machine proves that the brain waves of an intoxicated person are louder and lower than normal, they say.

HEART?

If so, write to Sears Chiropractic Sanitarium and Hospital, Denver, Colo., for 72 pages of Testimonial Leaf of results in arthritis, cancer, polio, epilepsy, rheumatic fever, multiple sclerosis, cerebral palsy, muscular dystrophy, stroke—heart, liver, skin, stomach, kidney and scores of other ailments.

REMODELING IS UNDER WAY at Klamath Union High School where the two story auditorium is being divided and converted into a complete, modern library on the second floor with conference rooms, office and added space for the commercial departments on the main floor. The work, being done by Leo N. Huls and the Brotherton Construction Company as two separate operations is expected to be completed in time for opening of school. The initial construction is an early phase of the expansion program that will eventually include a complete new wing on the building.

IN FULL COURTSHIP PLUMAGE, the sage grouse puts on a spectacular wildlife show every morning in Lake, Harney and Malheur Counties. The cocks dance to attract the hens, and fight savagely over them. Indian ceremonial dances have been based on the motions of the dancing cocks. Only the wild turkey is larger than the sage grouse, as far as upland game birds are concerned.
