

Cleveland Wins Two Games From Chicago

By BEN PHILGAR
Associated Press Sports Writer

Bobby Feller may yet get another chance to win a world series game, one of the few triumphs that has eluded him during his brilliant pitching career.

At the ripe old age of 35 the Cleveland right-hander who came off an Iowa farm 10 summers ago with just about the fastest ball the majors ever saw is proving a vital factor in the Indians' pennant bid.

He doesn't work often any more and when he does he has to rely on craft and wit instead of blazing speed. But he continues to be successful and might very well get the call in a long series. Cleveland has been in only one World Series since Feller joined the club. He lost twice in 1948 to the Boston Braves.

Last night he turned in his fifth victory of the season, checking the Chicago White Sox 3-2 on four hits in the opener of a twilight night doubleheader. The Indians grabbed the nightcap, too, by a 5-4 margin and dumped the challenging Chicagoans into third place.

"I might have gotten a pasting except for a couple of good breaks," Feller admitted after the game. "I didn't have much of any thing except pretty fair control."

Two of the hits against him were homers, by Chico Carrasquel, the first batter he faced, and by Minnie Miñoso leading off in the ninth.

But Feller got some vital help from Larry Doby who contributed a 400 foot home run to tie the score in the sixth inning and then singled home the second run in the eighth. Doby was the big gun in the second game as well. His 13th homer of the season came with the score tied and two men aboard in the fifth.

The New York Yankees crept in the side door into second place although they split their 13th consecutive doubleheader. After beating Washington 6-3 in 11 innings they won 7-4 to rookie Dean Stone who won his seventh against a single loss. The Yankees haven't captured a twin bill since August of last season.

The New York Giants stretched their national league lead to five full games. They whipped Pittsburgh 9-0 with a five-run rally in the seventh inning and Brooklyn lost its fourth straight, this time 7-4 to the Philadelphia Phillies.

In other national league action Milwaukee beat Cincinnati twice, 11-4 and 2-1 and Chicago edged St. Louis 7-6, the seventh time the Cubs have tripped the Cardinals in nine starts.

Elsewhere in the American League Boston thumped Philadelphia 6-4 and Baltimore used a three-hit shutout by Joe Coleman to turn back Detroit 2-0.

The Yankees' first game victory came after Washington had moved into a 3-4 lead in the top of the ninth. Yogi Berra singled home the winning run in the last of the ninth and came through in the clutch again in the 11th with a single that scored Bob Cerv with the winning tally. The Yankees found themselves five runs behind after 2½ innings of the second game and couldn't catch up against the Senators.

The Giants and Dodgers, fresh from battling each other for three days, both tried rookie pitchers last night and neither one survived. Ramon Montañez threw three no-hit innings for the Giants in Pittsburgh but had to be yanked during a four-run Pittsburgh rally in the fourth. Dusty Rhodes, who won two of the three games against Brooklyn with pinch hit singles, delivered another single, again as a pinch hitter, to start the Giants' big inning.

Pete Wojcieh, just up from Mobile, started for Brooklyn and lasted until the fifth in Philadelphia. The big blow for the Phillies, however, was a three run homer by Del Ennis off Clem Labine in the eighth.

Home runs produced the Milwaukee victories. Eddie Mathews hit two in the first game when Henry Aaron and Joe Adcock got one apiece. In the second game Del Crandall's fifth inning homer off Fred Baczewski provided the winning margin. Baczewski gave up only two other hits. Winner Gene Conley limited the Redlegs to four.

Vic Raschi, who had a 6-4 record with the New York Yankees on this date a year ago, now has a 3-4 record with St. Louis. His loss to the Cubs yesterday was his fourth. Home runs by Randy Jackson and Dee Fondy helped lead to the defeat.

Grady Hatton's three-run triple in the eighth gave the Red Sox a comfortable margin over the Athletics but Coleman's shutout enabled Baltimore to stay half a game ahead of the Sox in seventh place.

Lumberjacks Travel To Meet Mt. Shasta

The Eldorado Lumberjacks step outside of the Oregon-California Border League for 'its week's action as they meet Mt. Shasta next Monday at Mt. Shasta, instead of here as was announced earlier in the week.

The Northern California League team is in third place in league play, behind Weed and Yreka, and will be the second Northern Cal team to play the Lumberjacks this season.

Tulelake played the Eldorado team in a game at Recreation Park earlier in the season and the Lumberjacks fell victims of a 10-4 defeat.

In the Monday game, Manager H. Hatfield will start Jojo George, on the mound against the Mt. Shasta club, and Ron Owens, the reliable catcher will be back in the receiving position of George's pitches after being at National Guard Camp for two weeks.

This will be George's first appearance on the mound for the Lumberjacks this season, but he has played other positions for Hatfield's club. He is the ex-Chiloquin High School pitching star that helped Chiloquin take the county championship two years ago and into a playoff for the title this past season.

Art Raymond will be at first base for the Lumberjacks, and Kenny Young, another National Guard member who has been gone for two weeks, will be at second base for the Jacks.

Don Sumitoch will move to shortstop from second base to help fill the hole left when Leroy Coleman developed arm trouble and will be laying off the diamond sport for the time being.

Irv Whitt, the ex-KUHS and professional baseball player will be at third base for the local ball club when the two teams meet in the non-counting game.

Hatfield, Willie Dunster, the third starter who has been at summer camp, and Fran Miller will take over the outfield duties for Eldorado in the holiday ball game.

In case it is necessary, Hatfield can call on Miller the 'old pro' of the ball club to do some relief pitching.

In the other game of the evening's schedule Chevron won their first game of the season by edging Round-up in a free contest game by a 16-14 score.

Going into last night's game, Bill's and Suburban were tied for the lead with 3-1 records, but the win pushed Bill's into the lead by one half game.

Single runs in the third and fifth innings, gave Cal Bonney the win over Bob Smith in a tight pitching duel. Bonney allowed one hit, Smith two.

Chevron scored three runs in each of the first four innings and then added four more tallies in the fifth frame to sew up their first win of the year.

Double Hardtop Program Set For Holiday Weekend

TRYING TO PUT A STOP to Bob Crawley's good showing at Gem Speedway are the number two and three men in the point standings, Johnny Hitson, with hammer, and Russ Newell, holding Crawley. The trio will all be in action tomorrow and Monday for the twin-holiday hardtop programs. Time trials start at 1:00 tomorrow and 6:30 Monday evening.

A twin hardtop program at Gem Speedway is scheduled for this weekend's Fourth of July festivities with afternoon races tomorrow and the hardtops will again take the track Monday evening to put the finishing touch on the Basin's holiday weekend.

In tomorrow's 10 event program which starts with time trials at 1:00 a special race between two of the fastest cars and best drivers in a six lap event will be the featured attraction.

Bob Crawley currently the high point leader and driver of K-66 will meet Dale Hankins another top driver the local racing association in his K-1 hardtop.

The six lap special should and probably will settle several arguments of the fans and other drivers as well as the two drivers involved as to who is the better driver and who has the better car.

On Monday night another special event is being worked on and if it is at all possible the track management will have a n o t h e r special pitting four world champion rodeo riders in a hardtop race. These four which includes Ross Dollarhide will get into the hardtops for the first time in their life if Track Manager Sam Nestlin can work out the project.

If the schedules of the three other rodeo performers will permit Dollarhide and the three will make an attempt to stick with the hardtops for the required time of finishing the race sooner or later.

With a weather forecast of continued good weather two good crowds will probably be on hand to greet one of the best hardtops and the top drivers from Northern California and Southern Oregon.

Another good turnout of cars is expected also. Last week and the week before 50 or more cars were entered in the local hardtop show and many others are just being completed for the remainder of the racing season so there are possibilities that the largest turnout of cars this year might be made tomorrow and Monday.

Crawley the point leader with 163 points is being closely pushed by Johnny Hitson who has racked up 156 points so far this season Third fourth and fifth places are taken by Russ Newell with 135 Wes Owens 134 and Benny Morrison with a total of 117 points.

The latest word from George Mercier the regular track referee who was hurt very seriously in a car accident after one of the local racing programs is that he is recovering very fast and there is a possibility that he will attend one of the Gem Speedway programs in the near future.

Moto-Polo Scheduled For Klamath

Probably one of the greatest grandstand attractions ever to be seen in Klamath Falls will take to the Fairground area next Saturday night, when Moto-Polo will be introduced to the local sport fans.

This is the first time that Moto-Polo has been held in Klamath Falls, and the riot on wheels, which is one of the fastest growing sports in Southern California, will be included in an hour and a half to two-hour show.

The game is played with six stripped down cars, that are specially reconstructed for rolling over, and shaped like a half of an Easter egg and a seven foot rubber ball.

Scores are made by advancing the huge seven foot rubber ball through goals which are placed at the end of the field, and a referee will be in another specially constructed car to serve as the middle-man in any arguments that may arise.

The tremendous head on collisions, roll overs, riding the ball and hair raising pile-ups have served as a triumph of modern safety engineering, and have been acclaimed by several top magazines as "two hours of mechanical mayhem."

Tickets for the thrill and laugh packed show are on sale at three local stores, with general admission prices being \$1.25 and children 6-12, 50 cents. Children under six are admitted free.
