

NATO Military Games Planned

WASHINGTON (AP)—The Defense Department announced today a major maritime exercise will be staged by the North Atlantic Treaty Organization's Channel Command July 16-23.

Why Miracles?

Geo. N. Taylor
They urged Christ to stay on and raise others of their hall, lame and blind. Do us more, But Christ must go on and give out His message of hope, cheer and joy to others. And He backed His message with miracles that said He was sent of God. —1st Cor. 1:22 After months of teaching, healing and raising the dead, Christ went to His death for your sins. Then after the third day in the grave Christ defeated Satan by rising back to life. By that power over Satan Christ is also to raise you, as of His redeemed.

Geo. N. Taylor

Ships and aircraft of the NATO forces will be provided by Belgium, France, the Netherlands and the United Kingdom. They will include about 20 destroyers, escort vessels and patrol craft and 45 minesweepers, as well as some 30 naval vessels and auxiliaries making up convoys. There will also be merchant ships in the convoys.

The "attacking" forces will include submarines from the Netherlands and the United Kingdom, fast patrol boats of the Norwegian, United Kingdom and United States navies, and aircraft of the United Kingdom and Allied air forces in central Europe.

The convoys will be defended from "attack" by aircraft of the United Kingdom Coastal Command operating in conjunction with the surface escort. Surface and air forces will work in close conjunction throughout the exercise, the department said.

"You see, John, it's important to you as a businessman to know that The First National Bank has resources that are increasing as the state grows."

"Sure, Ed, but what does it mean to me... that First National has over seven hundred million dollars in resources?"

"It means a lot. Take loans, for example. Here's nearly three hundred and fifty million dollars loaned to people like you. These loans can be made anywhere in the state. Let me tell you something about our bank, John. The size of the building where you go to make deposits or withdrawals has nothing to do with First National service. What counts is the people you do business with, the service you get, and the soundness and reputation of the bank itself."

"Okay, I could get a loan to fix up my home or expand my business. But what if I don't want a loan?"

"Well, you know that new warehouse that's going up just off Main Street?"

"Yes, some of the carpenters on that job are my customers."

"We wouldn't have had that building in town if the bank hadn't seen that it was a necessary

development, and made the loan that helped the owner finance it."

"Yes, I see what you mean. More business for the town, and more customers for me."

"That's right. Here, take one of these statement-of-condition folders with you. We're proud of this one... it shows the biggest total we've ever had. If you'll read it over, you'll see why we're better prepared than ever to say...

French Denounce Red Broadcasts

TUNIS, Tunisia (AP)—French officials accused Communist-ruled Hungary today of broadcasting radio appeals in Arabic for an uprising against the French in Tunisia. They are addressed to "nationalists and Communists."

Officials said they had traced the three-times daily broadcasts beamed to the strifetorn North African protectorate to a station in Budapest, the Hungarian capital.

The broadcasts advise Tunisians not to negotiate with France, declaring that "only fighting can bring the complete independence of Tunisia." They are addressed to "nationalists and Communists."
