

White Sox Dump Indians In Four Straight Games

Yankees Climb Near Top

By ED CORRIGAN
The American League pennant chase is developing into a war of nerves.

Cleveland Manager Al Lopez says he isn't afraid of the Chicago White Sox. . . Haven't got the pitching to last out the long season. . . More concerned with the New York Yankees. . . But the Tribe still has the better club.

Chicago Manager Paul Richards merely shrugs off last month, when his club went into first place. He expected it all along. . . The Pale Horse is the team to lick the Yanks, he says.

New York Manager Casey Stengel doesn't have much to say. . . He's been spending his time looking up at the other two hoping they'd eat each other.

Right now, it appears that Stengel's hopes have been coming true. Last week, the Indians swept the Sox four straight games. Had they been able to do the same in the four-game set that just ended, they might have made a run-away of the race. But the Sox won all four, finishing operations with a 3-0, 6-2 double victory yesterday.

The Yanks, who have been taking advantage of the second division clubs, won their ninth in a row and 12th in their last 14 by slugging the Washington Senators 7-3 to climb within half a game of the Indians. The White Sox are three games back as the chase continues to tighten.

Billy Pierce, back for the White Sox after being sidelined with a sore arm, tossed a two-hitter in the first game shutout yesterday and Virgil Trucks came back in the nightcap to hold the Tribe to five hits. Until the Indians got off Trucks for two runs in the ninth, they had gone 23 innings without scoring a run.

Minnie Miroski hit a two-run homer and Matt Batts hit one with one on to account for all the first-game scoring. In the afterpiece, bonus rookie Ron Jackson homered with two on in the third. That was all Trucks needed. Ray Narleski was tagged with the first-game loss and Bob Lemon the second.

Except for the seventh inning, when Bob Grim loaded the bases with none out, the Yanks had no particular problems with the Senators. Johnny Sain came in to rescue the youngster, who got credit for his 10th success.

In other American League action, Detroit whipped Baltimore 2-1 and the Boston Red Sox won a doubleheader from the Philadelphia A's 18-0 and 11-1.

The National League action left the New York Giants still 1/2 game in front of the Brooklyn Dodgers. The Giants thumped Pittsburgh 13-7 in the first game of a doubleheader, but dropped the second 8-1. Brooklyn edged Philadelphia 6-7 in the first game of a twin bill but lost the second 3-1.

Cincinnati and Milwaukee split a doubleheader, the Braves taking the first 6-0 and the Braves winning the second by an identical 6-0 count. St. Louis nipped Chicago 4-3 in the other National League game.

Al Aber, who retired the first 17 Baltimore batters, needed help from Billy Hoelt and Steve Gromek to protect his victory after Jim Fridley hit a home run in the eighth. The winning margin was provided by rookie second baseman Reno Bertoia, who got his first major league hit—a home run—in the fourth.

The Red Sox moved into sixth place from the American League cellar by virtue of their double triumph over the A's. They had 40 hits, including four by Ted Williams, who now is batting .367.

The A's lost Gus Zernial, probably for the season, when the big outfielder slipped and broke his left collarbone while attempting to field a line drive in the ninth inning of the first game. Tom Brewer and Frank Sullivan were the winning pitchers.

FENCE BUSTING seemed to be Bud Cook's job last night as the driver of K-4 took to the heavy barrier in front of the stands as he came out of the north turn in the 14th lap of last night's main event. Russ Newell driving his new car, M-14, won the A-main.

Russ Newell Captures First Main Event Win

Russ Newell, who last year won almost everything within reach, finally took his place in the A-main winner's circle as he piloted his new hardtop M-14 to first place of last night's main event of the Gem Speedway racing program.

Newell bought the winning car from Jerry Johnson yesterday and the new possession held an early lead and then lost it to Jerry Barlow for a short time only to regain it until he crossed the finish line under the checkered flag.

Barlow, Newell, Johnny Hiltson and Bob Crawley were one through four after 14 laps had been completed, and a restart was necessary when Bud Cook, in K-4 hit the barrier in front of the stands and in the process took out several feet of fence.

Newell regained the lead from Barlow, and after a restart with 21 laps gone, held off the challenges of the C-12 driver and Hiltson to pick up his first main event victory of the season in what was an action packed finish of a good racing program.

Hiltson finished second, while George Smith in K-40 and Rusty Phillips battled it out for third and fourth place finishes in the 25 lap finale.

In the B-main, Allen Bousman and Ray Brackman fought it out for the top spot, with Bousman coming out the winner of the 15 lap event.

Dale Hankins and Ken Kime were leading the B-main when both became tangled on the North turn and went over the bank, giving Bousman the lead.

Brackman finished second, and Wes Owens in K-16 was third across the finish line. Fourth place went to George Leitz in K-92.

Another tangle between the two leading cars helped Ray Dalton pull the C-race out of the fire as Guy Hiltson in K-23 and Ed Routs in K-12 tangled on the back stretch and were locked together for a short time giving Dalton in K-76 a chance to take the lead. Nick Nicholson in K-29 was in the number two position at the finish line.

Barlow, the C-12 driver, swept both the trophy dash and final heats after winning one of the four heat races on the evening snow.

In the trophy event, Benny Morrison and Rusty Phillips were battling it out on the final turn when Barlow slipped inside both of them to first place honors. Morrison was second, Phillips third and Wes Owens took fourth.

Dodgers Discussed Over Make-up Game

By GAYLE TALBOT
NEW YORK (AP)—Everything's happening to the Brooklyn Dodgers immediately after tomorrow's All-Star Game at Cleveland Manager Walt Alton's shell-shocked crew must head for Milwaukee to play off a postponed game the following night, and the club is burning about it.

There is an agreement that no games will be played in either league on the days before and after the All-Star tussle, but a series of early-season rainouts at Milwaukee has made it necessary to get in the game on Wednesday or risk losing it entirely.

Ordinarily those players who are not chosen for the mid-season fixture can look forward to a three-day vacation, and the Dodgers in their present state could use some relaxation. There was even talk that they might protest to the players' association and refuse to play the game, but Vice President Buzz Bavasi put a stop to that with the quiet remark:

"They don't have to play if they don't want to. We don't have to pay them either."

After the comparative fiasco at Wimbledon, it can be put down as certain that there will be no professional tour next fall. A new race was needed, and that of Jaroslava Drobny, the left-handed Czech, who defeated little Ken Rosewall in the final of the British classic, will not fill the bill.

It was anticipated, with excellent reason, that Tony Trabert would sign a money contract if he was successful both at Wimbledon and Forest Hills this summer, but his defeat by Rosewall in the semifinals washed that up. There is no other real prospect in sight.

Drobny is so little thought of on this side that it is doubtful he will be offered any special inducement to play in our Nationals. It is reported he will be offered the customary transportation and \$15 per day board money on a take-it-or-leave-it basis. No self-respecting Wimbledon king would play even an exhibition for that kind of money.

False Application Charge Brings Fine
A Bellingham, Washington angler was fined \$25.00 plus \$5.00 court costs last Wednesday in a Medford court after pleading guilty to a charge of false application of an Oregon angler's license.

According to federal game officials Charles Sessions, age 58, made false statements while purchasing his license.

He was apprehended at Grays Lake on July 4 by federal and state officers, while making a routine check of the area.

National Stars Favored After AL Loses Pitchers

Lakeview Edges Lumberjacks 6-5

The Lakeview Gems had to go into extra innings, but finally came out with a 6-5 win over the Eldorado Lumberjacks yesterday afternoon in an Oregon-California League game at Recreation Park.

With the score tied at 5-5 after the regulation nine innings, the Gems' Bob Farris singled with one away and went to second on a passed ball.

Eldorado pitcher Fran Miller got Bobby Long to fly out to center field, but Neil Perry promptly singled Farris home from second with the eventual winning run, after Long set the Lumberjacks down in order in the last half of the tenth inning.

Lakeview scored first in the third inning on a home run by Benny Moore, but the Lumberjacks came back in their half of the fourth with a three run barrage on consecutive singles by Irv Whit and Art Raymond, a double by Miller and a single by Willie Dunster.

Single runs in the sixth and seventh innings accounted for the remaining two tallies of the local semipro, while Lakeview denied home plate twice in the fifth, and once each in the seventh, ninth and tenth frames.

Long limited the Lumberjacks to seven hits, four of them in the three run fourth inning, in registering his first win of the season over the Eldorado ball club.

Jerry Hale, Lakeview catcher, paced the visitors at the plate with his three hits in four times at the plate, while Vince Miller added a triple and single in five times at bat. Moore's circuit blow was the big hit of the afternoon game.

Raymond and Miller were the leading stickmen of the Lumberjacks as they collected two hits each. Raymond in four tries and Miller in three official appearances at the plate.

Hollywood Remains In PCL Lead
By THE ASSOCIATED PRESS
Hollywood's pennant-hungry stars, still two and a half game stop the Pacific Coast League heap, are not over-confident as they open a series Monday night with the lively Portland Beavers.

The chief reason is the bat of Beaver outfielder Granville Gladstone, who has been hitting .229. In Sunday's doubleheader with Oakland, Gladstone slammed a three-run homer in each game to pace his club to 4-3 and 4-0 victories. These gave Portland the series 4-3.

Actually, the Beavers got only three hits in each contest. Third place Oakland collected a total of 15, but couldn't combine them into runs.

Young Dick Walbel shut out the Oaks in the nightcap for the second time in the series. The feat ran his string of scoreless pitching innings to 37. Reliever Dick Fielder was the winning hurler for the Beavers in the opener.

Hollywood split a pair with Seattle but managed to hang onto the two and a half game loop lead, because second ranking San Diego also shared victories with San Francisco.

Hollywood whipped Seattle 5-1 in the opener, but bowed 6-6 in the second game. In the first game, Dale Long broke up a lead in the sixth with his 16th homer of the season, good for three runs. Seattle's lone run was scored when Ray Ortle drove in Clarence Maddern, who had tripped.

In the 7-inning afterpiece, Rainer Tommy Byrne blanked the Stars, yielding five blows.

Medford Takes Two From Cokes

Medford's American Legion baseball team took a decided advantage in league standings over Grants Pass and Klamath yesterday as they dumped the local junior legion club in both ends of a doubleheader by 5-4 and 4-3 scores.

In the first game of the afternoon twin-bill, Medford's Don McLaughlin went the distance for the winning Legion club and scattered seven hits in the seven inning game.

Klamath took an early lead as they scored three times in the second frame on a walk to Bob Harshbarger, singles by Bob Kelly and Dave D'Oliveo and a triple by Jack Sunitsch.

The final Cokes tally came in the sixth frame when Jerry Burke was walked and Don Taucher lashed out a long triple scoring Burke.

Medford scored once in the second and three times in the third on a hits batsman, and error, a fielder's choice and a home run by Frank Reator over center fielder Don Taucher's head.

Craig McCarty paced the Cokes hitting attack with two safeties in four trips to the plate while Reator and Paul Echel accounted for two for three and three for three days at the plate.

In the second half of the afternoon games, both teams countered twice in the first inning and Medford tallied again in the third and sixth innings with one run each time.

Klamath's last run came in the seventh inning as Sunitsch singled. Modesto Jimenez walked and Orin Perkins singled scoring Sunitsch from second base.

Perkins hit two for three including a triple to lead the Cokes at the plate while Jim McAbee and Ron Thoreson each batted out two hits in three times at bat to lead the Medford juniors.

Next Sunday the Cokes return home to meet the Mt. Shasta juniors in an afternoon game at Recreation park.

Tom Jackson After Match With Rocky
NEW YORK (AP)—Rocky Marciano's 1955 opponent may emerge from Wednesday's heavyweight match at Madison Square Garden between Hurricane Tommy Jackson of New York and Nino Valdes of Havana.

Although Jackson was an early 2-1 favorite, the price is narrowing and Valdes might even enter the ring as the favorite.

The 16-round bout will be televised by CBS.

Garcia, Reynolds Drop Out

CLEVELAND (AP)—Two 11-hour changes in the American League pitching staff have caused the city on the already favored National League to soar to 8-5 today for tomorrow's annual All-Star Game.

Nobody here could recall when one league ruled such a prohibitive favorite over the other, even during the years when the power-packed American League captured four straight from 1946 through 1949.

Now, on the eve of the 21st clash, the shoe is on the other foot. Not

CLEVELAND (AP)—Robin Roberts, Philadelphia Phil's right-hander, and southpaw Whitey Ford of the New York Yankees were named Monday as the starting pitchers for Tuesday's 21st All-Star Game.

Klamath, making his fourth start of the last five years for the National League All-Stars, won 11 and lost eight this season. Ford, whose nomination was somewhat of a surprise, is making his first All-Star start. He has won seven and lost six after a poor start.

only does the National own a four-game winning streak but it has most of the long-bail hitters.

Until New York's Allie Reynolds and Cleveland's Mike Garcia were declared physically unfit, it appeared the American League's seemingly superior pitching might offset the National's numerous home run hitters.

Reynolds begged off because a pulled groin muscle and Garcia was excused because of a ruptured blood vessel in a finger. In their places, Manager Casey Stengel chose Sandy Consuegra, crafty Chicago White Sox right-hander, and Irv Noren, currently hot Yankee outfielder, Noren probably will see action only as a pinch hitter.

Both managers — Stengel and Robert Walter Alton — were mum concerning their pitchers but the expected crowd of 65,000 in Cleveland's Municipal Stadium probably was due to see a battle of right-handers — at least during the first three innings.

Based on the starting lineups, which are predominantly right-handed, and by process of elimination, the field narrowed down to Robin Roberts of the Philadelphia Phillies and Bob Keegan of the Chicago White Sox as the opposing hurlers. Both will be well rested by Tuesday. Keegan has done no pitching since Friday, nor has Roberts except for a brief mopup job Sunday.

The only other well rested pitchers are the Yankees' Whitey Ford and the New York Giants' Johnny Antonelli. Milwaukee's Jim Wilson, who replaced the injured Harvey Haddix, does not figure to start. Ford and Antonelli are left-handers.

Roberts, although sporting a subpar (for him) 11-8 record this season, is a veteran All-Star competitor. He was the starting pitcher in three of the last four games of all winning ones for the National League. Keegan (12-3), a sophomore, is enjoying his first outstanding season in the majors.

Stengel, the all-winning World Series wonder, who has yet to triumph in four All-Star games as manager, may upset the dope and start Ford against the National League lineup, which is packed with left-handed power as represented by Ted Musial, Duke Snider and Stan Musial, Duke Snider and Ted Kluszewski. But Ford (7-6) has had a spotty season. Dean Stone of Washington, his only other available southpaw, is strictly a gamble.

All Stengel's right-handers, with the exception of Keegan, worked either Saturday night or yesterday. Baltimore's Bob Turley, Cleveland's Bob Lemon and the White Sox' Virgil Trucks pitched yesterday. Washington's Bob Porterfield and Consuegra were on the mound Saturday.

Alton appears in a better way for pitching. Should Roberts start, his second pitcher, in all likelihood, will be Antonelli, whose 13-2 record is the best in either league. After Antonelli, the Brooklyn pilot can come back with Gary Griesam, the Giants' ace relief right-hander, or southpaw Warren Spahn, Milwaukee's veteran southpaw, who has three All-Star game performances under his belt. Spahn pitched Saturday.

Right-hander Gene Conley of Milwaukee and Carl Erskine of Brooklyn, who saw action yesterday, don't figure to be called on unless absolutely needed. Wilson also pitched yesterday.
