

## GOP Plans California State Tour

Attention of local Republican women is brought to the proposed pre-convention tour preceding the 1954 biennial convention of the National Federation of Republican Women to be held in Los Angeles in September.

Plans for the extensive tour, open to all interested women are being made by the California federation.

The four-day tour will start in San Francisco Sunday, September 19, with a sightseeing tour of that city. The rest of the itinerary includes an early start by bus on Monday, September 20, across the Bay Bridge and down the San Joaquin Valley and then into the Yosemite Valley National Park for the night at the Ahwahee Hotel. There will be an overnight stop in Monterey on September 21 and the next morning early risers will leave for the last lap tour through some of California's most spectacular scenery, arriving in Los Angeles in time for dinner.

The total cost per person is \$82.50, including hotel reservations, and complete transportation in a chartered private Greyhound bus. It is expected that members joining this group will arrive in San Francisco on or before Saturday, September 18.

Federation members may purchase a round-trip ticket by plane or rail from home to Los Angeles with an indicated stop-over in San Francisco with no extra cost. But this information must be given at time of purchase so that the ticket will indicate the return trip will be made from Los Angeles.

September is a beautiful month

## FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little PASTETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get PASTETH at any drug counter.

## Virginia Holds Primary Today

RICHMOND, Va. (AP)—Democrats in two of Virginia's 10 congressional districts vote in primaries today to choose nominees they hope can unseat Republican representatives who gained offices in 1952.

In the 6th District, three candidates are in the field for the nomination to oppose Rep. Richard Poff, one of three Republicans elected to Congress in the Eisenhower sweep of normally Democratic Virginia two years ago.

The three are Ernest Robertson of Roanoke County, a member of the Virginia House of Delegates; Powell Glass Jr., Lynchburg newspaper publisher; and Dr. J. Carl Poindexter of Salem.

In the 10th—located in the northern Virginia area adjacent to Washington—four candidates are vying for the right to do battle with Rep. Joel Broyhill in November. They are Delegate John C. Webb, Fairfax; J. Walter White, Fairfax; Charles Lewis Knight, Arlington; and Dean E. Brundage, Arlington. Webb, White and Knight are lawyers. Brundage is director of social studies at Washington-Lee High School.

—and only a few dollars more than the low-price cars!

**HAVE** you been thinking you can't afford a new Buick? Listen:

If you can afford any new car, you can afford a Buick—and a look at the figure on the price tag proves it.

Look again, and you'll see that this is the local delivered price of the new Buick SPECIAL 2-door, 6-passenger Sedan. Compare, and you'll learn that this price is just a few dollars away from those of the so-called "low-price three."

But—dig a little deeper if you want the real clincher. That's when you find that those few dollars more you pay for a Buick buy you a lot more automobile.

They buy a whale of a lot more power—Buick V8 power—plus the new economy of Power-Head combustion.

They buy a lot more luxury and comfort and solidity—more room, more glass area, more frame strength, more tread width, more ride steadiness—including the million dollar "feel" of all-coil springing and torque-tube stability.

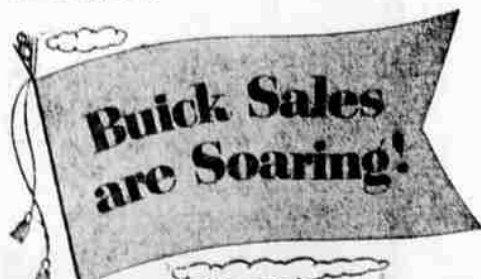

They buy, too, the most advanced styling of the time, and the great panoramic windshield, and the surety that such fresh-

looking beauty will stay in the style parade for seasons to come. (That means a better deal for you come resale time.)

Is it any wonder, then, that Buick now outsells all other cars in America except two of the so-called "low-price three"?

Come in for a demonstration—this week, for sure. And learn, in the doing, what a big trade-in allowance our volume sales can bring you.
