Councilman Helps Catch Car Prowler

A game of cops and robbers between Mayor pro tem Don Kenyon, two city policemen and a car prowler interrupted the sleep of residents on Ninth, Tenth, High and Pine streets early this morning.

Kenyon was awakened at 3:30 a.m. and looking out the window saw a man breaking into a car. Grabbing a .32 caliber revolver while Mrs. Kenyon called police, the acting mayor went out to capture the man. When the culprit started to run Kenyon called to him to stop or he would shoot and the man replied "Go ahead and shoot." Kenyon complied by firing two shots into the air but the man kept running with Kenyon in pursuit.

At this point in the episode two officers arrived in the prowl car and each fired two warning shots after demanding that the man stop. After chasing the prowler for about fifteen minutes, up and down alleys, across back yards, over hedges and around the First Methodist Church, in a pattern resembling the game of "Fox and goose," and during which time Kenyon fired two more shots into the air, the officers and mayor finally closed in and captured the burglar.

When captured the man was identified as Allan Virgil Wharton, 914 Lincoln.

Complaining of a stinging in his hip it was found the man had been grazed by a bullet, but the wound was not serious enough to require medical attention.

Cars allegedly prowled by Wharton were owned by Don Kenyon, Charles Maguire, Frank Fleet and a Dodge pickup whose owner was not listed.

At a late hour this morning police stated other residents in the general neighborhood were reporting car prowls and it was suspected these may also have been pilfered by Wharton.

The man was charged, with breaking and entering and larceny from autos and was to appear before Police Judge Frank Blackmer this morning.

Experts Study Causes Of Explosives Plant Blast

CHESTERTOWN, Md. (AP)—Army demologists today studied the problem of removing highly sensitive lead azide from the scene of the blasts that yesterday took at least 10 lives and wrecked a fireworks and munitions plant here.

Persons living in nearby areas will be evacuated, Army spokesmen said, if the removal is attempted. Lead azide, an extremely sensitive nitro-glycerin compound, is used in the detonator fuses made by the Kent Manufacturing Co. at this Maryland Eastern Shore community.

Yesterday's blasts, estimated by one company official as doing \$500,000 damage, came in grim explosion with a fireworks factory incineration in Chicago.

Three were killed and one injured in explosions in the Melrose Fireworks Co. building in suburban Schiller Park.

In Chestertown, one person was unaccounted for and it was feared the list of 10 dead might be lengthened by one more life.

Russians Assign New German Boss

BERLIN (AP)—The sudden replacement of Soviet High Commissioner Vladimir S. Semenyov by ace diplomat Georgi Pushkin aroused speculation today whether Russia has devised some new scheme for selling the West on its East German "republic."

Announcement of the diplomatic reshuffle came as some 180 million West Germans edged closer to their promised "sovereignty."

The Russians have been boasting for several months that their captive zone is now a Republic and entitled to consideration in the West as a sovereign state. The West has snubbed the idea.

Pushkin returns to the East German state he set in motion in 1949 when he served as Moscow's first ambassador to the satellite state. He brought the fledgling Soviet state into being even as he created the Red government in postwar Hungary.

The terse announcement broadcast over Moscow radio said Semenyov would take up new duties, but what his post would be remained a mystery.

Semenyov has been regarded as somewhat friendly to the Germans. He followed the theory that they could be won over to Soviet ways by use of the velvet glove rather than the iron fist.

Pushkin, on the other hand, has been regarded in Western circles as a man who would not hesitate to resort to force if the need arose.

The switch from Semenyov to Pushkin aroused speculation in Western quarters that Moscow is trying a new approach to the German problem. One American official commented: "The Russians feel they have the French on the run with some solution to Indochina just around the corner. If they put a man like Pushkin into Germany now, it may show the French they have no intention of allowing the Germans ever to reach any real stature."

Announcement of Semenyov's replacement came on the heels of rumors that he was ill in Moscow. There also were reports that he has been in hot water as a result of the June, 1953 uprising of East German workers.

Observers long have predicted that Semenyov was headed for oblivion because of his past association with Lavrenty P. Beria, Soviet secret police boss who was executed on charges of being a traitor.

Check Forger Arraigned

Status of an alleged check forger arraigned before Circuit Judge David R. Vandenberg remained uncertain Saturday due to the rift between the judge and District Attorney Frank Alderson.

The defendant is Dolan Ferguson, 21-year-old construction worker from Umpire, Arkansas.

Uncertainty in the case stems from the assertion by Judge Vandenberg that he will not try any more cases prosecuted by Alderson and the district attorney's policy of asking a change of judge in all recent criminal actions.

When asked if he planned to file a change of judge motion in the Ferguson case, Alderson said: "no comment."

Judge Vandenberg when asked if he would decline to try the case said: "I'll let the district attorney make the first move."

Judge Vandenberg appointed Attorney U.S. Balentine to represent Ferguson.

In the meantime, Circuit Judge Charles H. Foster of Lakeview was in Klamath Falls Saturday to arrange for the trial of three cases in which Judge Vandenberg was disqualified on motions filed with the supreme court.

After conferring with Judge Vandenberg, the Lakeview jurist said he expected to try the three cases sometime next month. The defendants involved are Andrew J. Bushman, held on a moral assault charge; Francis M. Mitchell, indicted on a bogus check charge, and William Roberson, accused of larceny.

Male Quartet To Be Heard

Appearing in concert at the Klamath Lutheran Church Monday evening, July 19, at 8 p.m. will be the Ambassador Male Quartet from Pacific Lutheran University in Parkland, Washington.

Pacific Lutheran is a Christian liberal arts college of about 1,000 students offering training for teaching on both the elementary and secondary levels as well as for business and the professions.

Members of the touring quartet are James Simonson, first tenor; Astoria; Reid French, second tenor; Parkland, Washington; Ronald Smith, first bass, Tacoma, Washington; James Loken, second bass, Pasadena, California.

The group sings a program of sacred music which is varied and in its nature to appeal equally to the musically talented and the untutored in the musical field.

Each year the college sends on tour its famed "Choir of the West" under direction of Gunnar J. Malmin. The quartet are members of this choir.

Safes Stolen By Burglars

Kidnapers were at work again last night. This time, however, safes instead of persons were missing. The Claude H. Davis Floor Covering and Window Shade House, 428 Main Street, and the Wocug Tavern on Highway 97 north of here reported the burglary.

City police reported the safe taken from the Davis establishment contained from \$600 to \$700 in checks and cash, and all the records and accounts of the store.

The safe is described as weighing about 400 pounds, 30 inches square and 4 feet high. It is a Globe Wernicke and finished in imitation oak. It is believed the robber, or robbers, had concealed themselves in the store before closing, then lifted a bar from the back door, backed a car or pickup into the alley and loaded the safe.

Miss Margaret is accused of driving the station wagon which collided with another on July 6, killing Jo Watnick. Two witnesses testified the station wagon was traveling 40 to 50 m.p.h.

Malin Church Plans Services

The Community Presbyterian Church of Malin will host again in its Sunday Christian Fellowship Sunday evening.

Fern Wallace and Joan Loosley will be the speakers at the Westminster Fellowship on the topic, "Making Christ a Reality." This will be at 6:30 p.m.

At 8 p.m. Guenther Dulon will speak at the Vesper Hour Service on "Christian Welfare."
