

KF Art Group Plans Exhibit

By LORRAINE JOHNSON

The Klamath Art Association is very happy to announce the arrival in Klamath Falls this week of the Ford Variety Show Art Exhibit. This exhibit is part of the collection of paintings owned by the Ford Foundation.

This showing is sponsored locally by both the Klamath Art Association and the Balsiger Motor Company, Klamath Falls local Ford dealer.

We are very fortunate to have such an important group of paintings shown here. This group of paintings was loaned to The Special Services Division of the Fifth Army to travel to its various camps throughout the country for the enjoyment of the servicemen and their families.

Robert Banister, former art director of the Klamath County Schools, and who is now Art Director of the Special Services of the Fifth Army, made it possible for some of the smaller art groups in Oregon to be included in the tour of this great exhibit. Paintings of the Klamath Country by Banister were reproduced recently in an issue of Lincoln-Mercury magazine.

These paintings are all by well-known American artists and depict familiar American scenes. Most of them have been reproduced in the Ford Times Magazine that your Ford Dealer sends to you every month. These Ford Times Magazines have become collectors items among artists throughout the United States.

The exhibit may be seen locally starting Wednesday, July 21, in the Balsiger Motor Company show room at 12th and Main. Balsiger's will hold open house all day on Saturday, July 24th and refreshments will be served. The members of the Klamath Art Association will serve as hosts. Printed catalogues listing the name of the artist and paintings are available through the courtesy of the Ford Foundation to help you to better enjoy the exhibit.

These paintings will be shown at the Balsiger show room for one week and then will be moved across the street to the Art Center for an additional two weeks.

Everyone in the Klamath Basin and vicinity is cordially invited to see this exhibit and to attend the reception on Saturday, July 24th in the Balsiger Motor Company Show Room. This is the only opportunity there will be to see these paintings outside of the Ford Foundation Art Gallery in Detroit.

Over the GARDEN GATE

By MRS. FRED KARLSON

Plans for beautifying the Veterans Memorial Park were made by members of the Klamath Falls Garden Club, meeting for a picnic July 12 at the park. The program will be carried out over a period of several years as the club's conservation project.

The first planting will be of Virginia Creeper to cover the cement retaining wall. Oregon grape will be planted in front of the creeper. September 17 was set as the date for the fall flower show at the city library. Theme of the show will be "Down Rainbow Trail." Mrs. J. Pitts Elmore will be show chairman.

Members voted to add philodendron to the geraniums in the planter box furnished and planted by the club for the community lounge on N. 7th Street.

Mrs. George Grizzle reviewed her recent boat trip to Alaska. She recalled that there were not many gardens in the towns she visited but residents had lots of house plants. She was particularly impressed with the display of African violets at Haines House, an Indian orphanage at Haines, Alaska.

Mrs. Fred Karlson gave a report of the state convention in Ashland in June.

The next meeting will be August 22 at the library. Mrs. Duane Alexander will have the program on "Processing Flowers and Making Corsages and Nosegays."

Mrs. Hal Ogle was welcomed as a new member.

The July 8 meeting of the Alturas Garden Club was a potluck picnic at the home of Mrs. Kenneth Flournoy, at Likely.

Following the picnic, a business meeting was held with Mrs. Phillip McKenney, president, presiding. Interesting reports were made by Mrs. McKenney and Mrs. G. Guy Young on the state convention held at Ashland, June 9-10.

The club voted to have an exhibit at the Modoc County Fair in August. Details for exhibits will be made at the August 12 meeting. Mrs. Paul Decker will serve as

chairman of the committee on arrangements.

Mrs. Warren Cantrall won the special prize for the day, a number of chrysanthemum plants.

Gardens of Mrs. Kenneth Flournoy, Mrs. Harry Flournoy, Mrs. Dolph Van Loan, Mrs. Kenneth Van Loan and Mrs. Masten Ramsey were visited.

The August meeting will be held at the Alturas High School.
