From the West's Most Modern Refinery

New RICHFIELD ETHYL

GUARANTEED — Best Performance in YOUR Car or DOUBLE Your Money Back

For a new driving experience, test two deliveries of New Richfield Ethyl in your car. You will agree it's BEST, or we'll pay double your money back on a tankful.

With New Richfield Ethyl, notice how easily your car starts... how smoothly it idles... its thrilling pullaway power. And, best of all, its superior anti-knock quality.

Here's the secret of the guaranty no other petroleum company has dared to match: New Richfield Ethyl... (1) is the first gasoline tailored to meet the demands of today's advance-design cars, yet gives top performance in every car... (2) is produced by exclusive processes in the West's most modern refinery... (3) is unexcelled in the vitally important matter of octane rating... (4) increases spark-plug life... gives increased power and mileage... minimizes high-compression knock... assures instant starting... lubricates valves... gives complete rust-proof protection.

Our Guaranty extends to the full capacity of your tank. Since it is not practical to empty the tank completely before refilling, it will be necessary to take two deliveries of not less than one-half tankful each. After using your second delivery you'll say "It's Best," or we'll pay double your money back on a full tank of gasoline.
