Nat'l VFW Delegates Hear Nixon

PHILADELPHIA (AP)—Some 75,000 Veterans of Foreign Wars members and auxiliaries lined up for a giant seven hour parade today highlighting their week-long annual encampment here. But as marchers from all 48 states and beyond paraded and cut capers with fun-making units, they bore in mind a message from Vice President Richard M. Nixon that the free world cannot stop communism unless the people have the "will to resist."

Drought Aid Grain Offered

WASHINGTON (AP)—Federal aid being offered farmers in drought-plagued areas is less liberal this year than last.

Under an assistance program announced Monday by Secretary of Agriculture Benson, eligible farmers may buy corn, oats, barley and grain sorghums at cut-rate prices. This grain will be used to help them maintain foundation herds of livestock.

Corn and wheat were offered for such a purpose last year, but at somewhat lower prices than those announced for the current drought emergency.

Under the new program, eligible farmers will be able to buy the designated livestock feed grains through their regular feed dealers at prices 60 cents per 100 pounds below current market levels.

the vice president told a banquet of top VFW leaders and other dignitaries last night. "We saw this principle in reverse in Guatemala where the Communist army was 10 times as strong as the army of liberation," Nixon said. "Ninety per cent of the people, however, were against the Communist government and it was only a matter of hours after the revolt against the government began before the Communist leaders had to run for their lives."

Nixon flew here from Washington to receive the VFW's Bernard M. Bruce Distinguished Service Award. The award is made for the "most outstanding contribution to the American way of life, promotion of unity and world peace."

Earlier, the convention approved amid cheering a strongly-worded "proclamation of policy" charging the federal government with " cynical disregard" for veterans and

their dependents "while dealing generously with foreign nations, including former enemies."

The attack cited the record of the past 14 years, during which time, it said, \$6 billion dollars had gone for foreign aid, while expenditures for veterans have totaled only 32 billions over 175 years.

Nixon, pressed by newsmen, said he could not comment on the action since he had not had time to read the text. Nixon arrived at the banquet in a Pennsylvania National Guard Armory more than an hour late due to the press of Senate affairs.

During that time some of the 1,500 persons in the hall abandoned their wait and returned to mid-city Philadelphia where shamans of the Cooties, VFW fun-making organization, were carried on.

There was dancing in the streets literally as hundreds of delegates and their ladies left their hotel rooms for a parade and celebration.

In business affairs of the day, Ray Burke, Yonkers, N.Y., won election as supreme commander of the Military Order of the Cootie, sa, Okla. to succeed William He defeated Clarence Kamp, Tul-Wark, Ridgfield, N.J., in the post.
