

FOR LIPS TO ENCHANT, Tussy Cosmetiques announces golden Apricot Brandy to add an autumn sparkle to your makeup. For a smooth clear look, pat, pat, pat with Tussy's Beauty Touch to accent your youthful charm.

**SNAGS AND RUNS** in nylon are frequently caused by rough fingers or rough soles and heels. Guard against this by keeping your hand soft and the surface of your heels and soles smooth with Chemamy Skin Balm, a soothing, quick-drying, non-sticky lotion which contains Emolline No. 7 for extra protection and smoothness.

Allure, Beauty and Charm; ABC of Campus Popularity

Now comes the scurry and flurry and all the excitement of back to school. The co-ed wants to make the best possible impression to pave the way toward fun, friendship and romance. One of the surest ways, according to Tussy Cosmetiques, to rate an "A" in the campus popularity poll is to observe the modern ABC's—Allure, Beauty and Charm.

For Allure, add enchantment to your lips with the delightful new shade, Apricot Brandy, the golden apricot lipstick that is all things to all women. Because of its chameleon quality, it blends with your coloring and complements the glorious fall shades. With it, use the glamorous new Bright Secret—a fragrance of song and sunshine.

Radiate Beauty with clean, clean, clean skin and hair that is above reproach. Creamy Cleanser is an effective, quick-cleansing, deep-cleansing lotion that smooths the way to an exquisitely clean skin. Your top knot is your top note, so let it shine as a token of your self-esteem. Wash it frequently to banish the dulling collection of soot, perspiration and excessive oil.

Enhance Charm by never forgetting your deodorant or anti-perspirant, and by keeping your sweaters, blouses, lingerie in band-wool condition. Care of your personal effects is as important. Make it a simple nightly task, rather than a chore, with Jalma, the de-luxe powdered laundering compound that countless women have found indispensable for travel in

this country and abroad. Twenty little envelopes in the jumbo package will help maintain the "store look" of your cottons, wooleens and fragile nylons. Jalma whisks out fresh stains of ink, iodine, makeup, perspiration and lipstick from the most delicate fabrics, assuring you of the "fresh as a flower" appeal.

**MINUTE RICE**  
Next time you are preparing a 5-ounce package of pre-cooked rice, saute 1/4 cup slivered blanched almonds in butter until gold brown; add to the rice just before serving and mix lightly. Wonderful with chicken and gravy.

**SCHILLING Seasoning Salts**  
Just shake in! Finest quality—Onion, Garlic, Celery, Savor Salt Seasoning.

**MIRROR MAGIC** is illustrated by Libbey-Owens-Ford Glass Company in this sketch showing two windows curtained or draped as one by placing a mirror on the wall space between them. The mirror gives the effect of one window with a sprightly reflection of your room in the center. The treatment is especially effective in bedrooms with the dressing table placed in front of the mirror.

**MIRRORS**  
When selecting a mirror, stand off at an acute angle and look at the reflection. High quality plate glass will give a lifelike reflection, even when viewed from an angle while inferior glass will not pass the test.
