Klamath GOC Complimented

A feather in the cap of the local Ground Observer Corps came through a recent letter from Major George W. Mannusier, USAF, in charge of the Portland Filter Center.

Major Mannusier complimented Mrs. Martha Hurd, designer and "instigator" of the local GOC uniform, and asked for detailed instructions so that the idea could be carried out at the Portland Filter Center. Mrs. Hurd has mailed samples of the men's and women's caps and details on the uniforms.

The corps has been further distinguished by being named "post of the month" in "Contact," the monthly publication of the state Ground Observer Corps. Author is Irene Bullard, civilian editor.

Vagrancy Case Postponed

Clarence Hamilton, 24, of Eugene, who was accused of forcing Lucille Wade, 24-year-old waitress, into an automobile in downtown Klamath Falls and driving her to Chiloquin, had his trial postponed when he appeared before District Judge D. E. Van Vactor Friday on a charge of vagrancy.

Miss Wade, who signed the complaint against Hamilton, told police she was sitting in an automobile with a "boy friend" in front of 1221 East Main Street, July 15, when Hamilton appeared on the scene. She said Hamilton terrified her and she ran into the house.

The defendant is accused of following the woman into the dwelling and then dragging her to his car. After they reached Chiloquin she said he released her.

Attorney George Proctor told the court he had been retained to defend Hamilton. He asked for a continuance of the trial so he could further investigate the case. An indefinite continuance was granted with the consent of Deputy District Attorney Robert Kerr.

VFW Commander Election Slated

PHILADELPHIA (AP) — The way was cleared Friday for election and installation of Merton B. Tice, Mitchell, S. D., as commander-in-chief of the Veterans of Foreign Wars.

Tice was unopposed at Thursday's nomination for national office at the 53rd annual VFW encampment. The retiring president is Wayne E. Richards, Arkansas City, Kan.

After a year as senior vice commander, Tice steps into the top position by tradition. Timothy J. Murphy, Dorchester, Mass., moves up from junior to senior vice commander.

Ashland Plans Brass Concert

ASHLAND—The Portland Symphonic Brass Ensemble, a group of superb musicians who took the Oregon Shakespeare Festival by storm in their initial appearance last year, will present the first concert of the season Sunday evening, August 8, at 8:30 p.m. in the open-air festival theater.

The unique ensemble, the second of its kind to be formed in the United States, will feature music of the Elizabethan era, with some numbers from the 17th century.

The musicians performed in Ashland last season soon after forming their group and proved so popular that members of the festival board of directors invited them on the spot to return this season.

In the group are James Smith and Parks Wightman, trumpets; John Trudeau, trombone; George Phillips, bass trombone; and Charles Dietz, French horn. All are members of the Portland symphony, and all have played with the leading orchestras in the larger cities of the United States.

Although the ensemble has been in existence for less than two years, it has already prompted American composers to write music especially for it. In a recent concert, the musicians premiered original compositions by Peter Jota Korn of Los Angeles and another by Robert Crowley of Portland.

The concert here Sunday evening will feature the more exciting and haunting music of the 16th and 17th centuries, however—music particularly suited for brasses.

Take it from me... Bessy's Dairy Dishes By BESSY, The Basin Bossy

If you are looking for a good dessert for Sunday that you can make while you prepare Saturday evening's dinner, I suggest this one, which combines the tangy flavor of fresh lemons with the wonderful goodness of whipped cream.

Whipped cream has a tantalizing flavor that makes every dessert taste better. Because whipping cream is high in natural butterfat, it is an especially good source of Vitamin A. Many of the same other important nutrients of milk are contained in whipping cream, but in different proportions.

This recipe comes from the Test Kitchen of the American Dairy Association in Chicago and will serve 10 to 12 persons.

LEMON REFRIGERATOR CAKE 1/2 cup milk 1/2 cup sugar 1/2 cup lemon juice 3 egg yolks 1 Tbsp. plain gelatin 1/2 cup cold water 1 grated lemon rind 1 tsp. salt 2 cups whipping cream 24 Ladyfingers

TL Laborer Shoots Self

TULELAKE — A self-inflicted gunshot wound sent Joe Worth, 42, to Klamath Valley Hospital about noon Thursday, August 5.

Worth, an itinerant laborer, and his family have been here during crop seasons for several years.

Yesterday, about noon, he drove to the George Pickup place, 11 miles south of here, parked his car on the highway and called to his wife and four children who were weeding potatoes.

As he said "Lily, look!" he fired a bullet, only one in the gun, from a .22 caliber pistol into his right temple. The shot destroyed the right eye.

Worth was taken to Klamath Falls in the Tulelake ambulance by Gene Gresham and Pat Walls where hospital authorities reported today that his condition was good.

EXERCISE

OKINAWA (AP) — Thousands of U.S. Marines stormed ashore on Okinawa Friday in an amphibious landing exercise supported by U. S. Air Force and British and U. S. warships.

Even a child can operate them

Combine the lemon juice, sugar, and milk and cook over low heat until the sugar is dissolved. Add a small amount of the hot mixture to the beaten egg yolks. Slowly add the egg yolk mixture to the rest of the milk and lemon juice combination in the pan. Cook, stirring constantly for 5 minutes. Remove from heat and add the gelatin which has been dissolved in cold water. Then add the lemon rind and salt. Allow the custard mixture to cool.

Line a 6-inch spring form pan with ladyfingers. When the custard mixture is cool, fold in the stiffly whipped cream. Pour this into the spring form pan and chill for several hours or overnight in the refrigerator. When set, and ready to serve, garnish with 1 cup of stiffly whipped cream, slightly sweetened, topped with sliced fresh peaches.

This recipe can be used for Chocolate Refrigerator Cake by omitting the lemon juice and lemon rind. Add 2 squares of chocolate to the milk and sugar in the top of the double boiler. After adding the gelatin, add 1 tsp. vanilla. Garnish with shaved chocolate.

Cream for whipping should contain a minimum of 30 per cent butterfat. For best results the cream should be very cold, and both the bowl and beater should be chilled in the refrigerator, then it requires only a small amount of whipping to fluff and thicken the cream.
