

DOWN AND OUT is Georgie Price in last night's main event of the armory boxing card after Jimmy Grow of Boise landed a left hook and a short but fast straight right to Price's chin in the eighth round of the scheduled ten rounder. Grow, the Idaho state lightweight champion, started slow and began picking up steam in the fifth round to soften Price up for his eighth round barrage.

Idaho Champion Knocks Out Georgie Price In 8th Round

Jimmy Grow, the Idaho lightweight champion made quite a few friends with his hard hitting feat moving boxing style in last night's main event of the armory boxing card as he posted an eighth round knockout over Georgie Price of Merrill.

Price's hopes of a successful comeback to the ring were after four years in the Navy were out short by a blistering left hook and then a lightning quick right hand that sent the Merrill welterweight to the canvas for Referee Wally Moss' 10 count.

The 10 round main event opened on a slow note, with Price forcing the fight for the first three or four rounds, as he belted the Lewiston lightweight with hard rights and lefts to the body and head.

In the fifth round, Grow began to pick up the pace that Price had been leading and landed some very solid blows to the head, face and body of the Merrill battler along with a constant jarring left jab.

The sixth and seventh rounds were very good rounds for Grow as he countered with some hard rights that didn't seem to hurt the Klamath Basin battler too much, but seventh round seemed to slow Price down from his early fight pace quite a bit.

Midway through the eighth round, Grow uncorked a solid left hook that caught Price flush on the side of the head and hurt the Merrill fighter.

After a quick exchange by both fighters in the middle of the ring, Grow landed his lightning fast left hook-straight right combination that sent Price down for the ten count.

After the fight Grow stated that he would like to come back to Klamath Falls and fight again. He also had high praise for Price and indicated that he would like to meet him in another bout if it could be arranged.

In the six round semi-windup, the armory boxing fans witnessed another top battle, this time between Ralph Weiser and Georgie Dixon of Seattle, as the Beatty Bomber took a six round decision over Bob Wark's classy welterweight.

This bout also started slow, but was soon livened up with some toe-to-toe battling that had the armory fans on the edge of their seats.

The third, fourth and fifth rounds seemed to give Weiser the advantage on the judges scorecards as the Beatty Battler countered with some very hard blows that didn't hurt Dixon too much, but slowed his pace down.

Darrell Harrington knocked out Eddie Brown in the second round of their scheduled six rounder, while Frankie Sharp of Seattle punched his way to a six round decision over Bobby Barney in the other scheduled six stanza bout.

Harrington landed a sharp right to Brown's head that sent the Indian battler to the floor for a nine count, and when Brown regained his feet Harrington pounded home another right flush on the jaw that dropped Brown like a stuck pig.

Sharp came back from taking an eight count in the third round to whip Barney, who had run up four straight knockouts before last night's bout, with another one of Wark's Seattle fighters.

Barney who seemed to be off his regular fighting style, had Sharp bleeding from the face in the fourth, but Sharp continued to find the range with some solid blows and an annoying jab that kept Barney off balance.

In the four round opener of one of the best fight cards held in the armory for some time, Duane McDaniel of Chiloquin made short work of his bout with Dale Mingo by scoring a first round TKO over the Klamath boxer.

McDaniel had Mingo bleeding badly from the face when Moss stopped the bout that could have done further damage to Mingo.

Leaders Stop Solons; Seals Dump San Diego

Unless Lefty O'Doul can get his Padres back on the winning track next week's series between Hollywood and San Diego may prove to be anticlimactic instead of a showdown for the Pacific Coast League pennant.

Hollywood bowled over Sacramento again Friday night, 7-2, while San Francisco was making it two straight over the second-place Padres, 10-7. This turn of events put San Diego 3 1/2 games behind the Stars, and with the season ending September 12, O'Doul's club will have to do a quick about face. Hollywood finishes its schedule against second-division teams, while San Diego's last month is against tougher foes.

A triple by Bob DiPietro drove in two runs in the ninth at San Diego and wound up a three-run rally that saddled the defeat on Eddie Erault, the third Padre pitcher, who had taken over in the seventh.

Jim Walsh and Ed Wolfe of Hollywood limited Sacramento to five hits while the Stars got 13 off Marino Pieretti. Bill Humphrey, who was released by Sacramento, played right field for the Stars and got three hits in four tries, but had to leave the game in the eighth after hurting his leg as he was tagged out trying to score.

Frank Keller, who replaced him, singled across two runs in the ninth.

Ernie Broglio, recalled from the California League by Oakland, pitched the Acorns to an 8-2 win over Portland. He gave only five hits. It was the second straight victory for the 19-year-old since he was brought back from Modesto. Bill Boemler, the losing pitcher, tagged Broglio for a homer in the third.

Two errors by the usually reliable Eddie Basinko, Portland second baseman, contributed to the Beavers' downfall. The bases were loaded in the sixth when he booted Jim Marshall's grounder and in the fifth he booted a grounder by Marshall that put a runner in scoring position.

Los Angeles whacked Seattle, 4-2, as Johnny Poycha outpitched three Rainier choppers. Los Angeles had lost nine straight games to Seattle, but Bob Usher's double with the bases loaded in the third proved to be all that Poycha needed. The Angels got only six hits to Seattle's nine, but made the most of them.

Second Place Battle Faces 'Jacks; Relay Race Scheduled For Hardtops

Alturas Host To Bend

The Eldorado Lumberjacks travel to Lakeview tomorrow afternoon to meet the Gems in what could decide the second place position in the Oregon-California League standings.

Manager Hi Hatfield's ball club will field one of the heaviest hitting clubs in the league, but a leaky infield and outfield has been the downfall of the Lumberjacks on numerous occasions.

Led by the hitting of Art Raymond and Hatfield the 'Jacks will meet a club that has been playing better ball as the season advances towards the finish.

Bobby Long will probably be on the mound against the Eldorado club tomorrow and Lakeview's power hitter Wes Dollard will probably be holding on to his usual first base position. Another Gem that has given the Lumberjacks trouble in past games is Benny Moore, the ex-Bly high school basketball, football and baseball star.

The Lumberjacks will probably send Fran Miller to the mound, although Jalo George could also be sent to the pitcher's mound against the Gems, while Art Westhouse or Ron Owings will get the call for the catcher's position.

In the Eldorado infield, Hatfield will have Irv Whitt at first base, Dick Lundsten at second base and Don Santschi, the University of Washington athlete, at third. Owings will probably get the call for shortstop, but Leroy Coleman could also take over the right hand side of the keystone combination if Hatfield needs him.

Willie Dunster will probably be in left field, with Art Raymond flanking Hatfield in the right field position. The outfield of Dunster, Raymond and Hatfield is a powerful laden trio that can be expected to hit the long ball.

John Niles and Don Dexter are two other ball players who can be called upon to add further assistance to the 'Jack lineup if they are needed. Dexter is an infielder, while Niles is an ex-Medford high outfielder.

In the other league action tomorrow, Alturas plays host to the league leading Bend Loggers in a battle between the last and first place ball clubs.

Milers Look For Fast Time

VANCOUVER, B. C. — The miler men of the mile, Roger Bannister and John Landy, tangle today for the British Empire title and both of them think the time will be very close to 4 minutes.

"I think I'll be getting down to four minutes if I'm to win," says Doctor Roger, the English miler who was first to crash the 4-minute barrier.

And Landy, Australia's national hero who claims the world record at 3:58 guesses "it certainly won't be much over 4 minutes, but perhaps 4:02 or 4:03 will win it. I don't think it will be under 4."

Although the world views this as a duel between Landy and Bannister one of the six others in the race could steal through to victory if the big stars falter. New Zealand's Murray Halbert is the most likely upset winner. Murray ran the fastest heat in the preliminaries Thursday at 4:07.4 and done 4:04.

Asked why he set such a blistering pace in the qualifier, Halbert said seriously, "I just thought I needed the workout."

When the eight strong men line up at the starter's call at 2:40 p.m.—Pacific Daylight Time—television cameras will flash the picture across the North American continent and radio will tell the story to the far corners of the globe.

Rain or shine—and the forecast calls for cloudy but dry weather at race time—a capacity crowd of 35,000 will jam Empire Stadium for the climax moment of the eight-day program.

Other things will be going on like the marathon race which England's Jim Peters is expected to win as he wishes. And the hammer throw and pole vault and some relays will be tossed in as frosting, but the mile is the real dessert of the day.

England had "won" the games. No official team scores are kept but unofficially the English were so far ahead last night they couldn't be overhauled. On a late count the points were 441 1/2 for England, 323 1/2 for Australia, 286 for Canada, and 108 other 21 nations were trailing far back of these leaders.

Ford Konno Pushed By Fellow Islander

INDIANAPOLIS (AP)—Bill Woolsey, a 19-year-old Hawaiian who is being called her apparent to freestyle champion Ford Konno, got another shot at his fellow islander in the National AAU swimming championships today after missing by about a finger's length yesterday.

The two had identical times of 2:10.6 in the 20-meter freestyle but the judges ruled Konno slapped the wall first for his second victory of the four-day meet. He repeated as 1,500-meter champion Thursday.

Konno, a 21-year-old Ohio State University student, and Woolsey, who'll be an Indiana University sophomore this fall, were to jump into Broad Ripple Pool again in the 400-meter freestyle. Konno is the defending champion but Woolsey beat him at the distance in Hawaii last month.

Woolsey, one of 12 children in a Hawaiian-German-English family, was entered in the 10-meter freestyle today but there he probably was a little out of his depth against Richard Cleveland, another Honolulu product who holds the American record of 56.4 seconds.

Barbara Stark of San Francisco, who set a new AAU record of 2:47.8 in the 200-meter backstroke Friday, went after a second title today in the 100-meter back which she won last year by 119 yards.

Joanin Capilla of Mexico City and Pat McCormick of Los Angeles were favored to hold their championships in diving events today after victories yesterday. Capilla, 17th in the 3-meter springboard diving in '52, won it yesterday with defending champion Bob Clotworthy of Fort Knox, Ky., taking second. Mrs. McCormick took the platform title away from Paula Jean Myers of Indian Springs, Calif.

Capilla was a heavy favorite today in the men's 1-meter event and Mrs. McCormick was expected to repeat from the 1-meter springboard.

Flo Chadwick Survives Added Hazard

VICTORIA, B.C. (AP)—Add anti-aircraft shrapnel to the natural hazards of long distance swimming.

Florence Chadwick of San Diego, Calif., who has bucked dangerous tides and cold in swimming tests the world over learned of the new danger Friday.

Prepping for next Monday's attempt to swimming the 18-mile wide Strait of Juan de Fuca between here and Port Angeles, Wash., the fire-antagonizer came under the fire of anti-aircraft guns aiming at a target being towed by a plane.

Pieces of shrapnel showered around her and one landed in an escorting boat. Neither Miss Chadwick nor her navigator, Frank Seeborn of San Diego, who was in the boat, were hurt.

Purpose of Friday's practice swim was to make a final check of tidal conditions to determine the actual starting time of Monday's test. Seeborn said he expected an announcement Saturday.

Miss Chadwick is expected to step into the water here some time after midnight Sunday. She hopes to emerge at Port Angeles 13 hours later.

While the distance from Victoria to Port Angeles is little more than 18 miles, Miss Chadwick will follow a zig-zag route which may add as much as six miles to the course.

She will receive \$7,500 for step-

10-Event Program Planned

Tomorrow evening at Gem Speedway, hardtop racing will again take over the Basin's spotlight with what should be a continuation of the fine racing programs that have been entertaining the hardtop fans in the last few Sunday night shows.

The track management has also scheduled another special event for tomorrow night's performance, as three teams of two cars will enter in a relay race of six laps.

Dale Himehlwright and Ray Brackman will comprise one team, while Kaler's Machine Shop combo, Dale Hankins and Jerry Barlow will make up another. The third team will probably be made up of George Smith and the driver of K-90, either Billy Hilton or Bud Brown.

The race will be divided into three laps for each driver, and some sort of rules set up so that the driver will have to get out of the car and touch his partner or bump him from behind before the second half of the race can be started.

The point standings didn't change much after last Sunday's racing program, except in the last couple places of the top 10 cars.

Johnny Hilton and Bob Crawley continue to hold the lead spots with 329 and 295 points respectively, while Benny Morrison and Matt Christian are tied for the third place spot with 263 points apiece.

Wes Owens holds the number five position with 238 points, while Jerry Barlow and Al Rossi are sixth and seventh with 229 and 224 counters. Eighth, ninth and tenth positions are held by Rusty Phillips, Jerry Johnson and Bud Cook, who moved into the top ten list by his driving last week, with point totals of 202, 187, and 184 respectively.

Allen Boussman, who laid claim to a main event winning streak until Hilton snapped it by taking last week's A-main, climbed near the top of the point list with his 180 counters, while Neil Mayfield slipped from the week before with his total standing at 174.

Four heat races, ten laps each, a trophy dash, pitting the winners of the heat races, and the final heat race, where the three top places in each heat race enter into a 10 lap event, which could be classified as the program's classic.

The C-race of 10 laps, B-main slated for 15 laps, and the evening's finale of 25 laps for the A-main will comprise the regular hardtop program along with the special event.

Time trials are scheduled to get started at 6:30 with the first of the four heat races starting around 7:30.

Tonight the Medford Speedway will play host to several of the top drivers from the local hardtop club and some of the best drivers in Southern Oregon and Northern California in the weekly racing show held on the Medford track.

Two of the local drivers who are expected to enter the Medford races tonight are Johnny Hilton, who has won one of the Medford mains this season, and Benny Morrison in his new little hardtop, that seems to have too much power for the size of the Gem Speedway track.

Time trials start at 6:30 at the Medford track also, with the first event immediately following the finish of the time trials.
