The opening will be held from 5:30 until 8 p.m.

**Election Board Sued by Negro**

OKLAHOMA CITY (AP)—A \$200,000 lawsuit against the State Election Board was filed yesterday by a Negro lawyer attacking the required designation of Negroes on Oklahoma ballots.

The plaintiff, A. B. McDonald, was a candidate for the Democratic nomination for U. S. senator in the July 6 primary election won by Sen. Robert S. Kerr.

McDonald bases his suit on the word "Negro" placed after his name on ballots, and alleges the 1937 state legislative act providing such listing is unconstitutional and amounts to segregation in violation of federal law.

**Physicians Stage 'Suspension'**

TOKYO (AP)—Some 4,000 Tokyo physicians today staged a 24-hour "suspension of business" to protest a proposed cut in government health insurance fees.

Kyodo News Service said government-employed health officers took over emergency cases. Patients with routine aches and pains were asked to come back tomorrow.

## Nebraska Governor Seeks Senate Post In Primary

**By THE ASSOCIATED PRESS**  
 A complicated series of primary contests in Nebraska—one a Senate race pitting Republican Gov. Robert B. Crosby against six opponents—tops party balloting in three states today.

Also on the slate are an Idaho primary, an Arkansas runoff and a Democratic convention in Delaware. These will determine:

1. Whether Idaho's "singing cowboy" former Sen. Glen Taylor, can resume a political career that faltered after he bolted the Democratic party in 1948 to run for vice president on the Progressive ticket.
2. Whether Arkansas Gov. Francis Cherry can win a second term in a Democratic runoff.
3. Whether Democratic Sen. J. Allen Frear Jr. of Delaware can win renomination over the opposition of some party leaders who contend he's too "conservative."

Though each state has only two

Senators, Nebraska will name candidates for three Senate seats—a rare circumstance caused by the deaths earlier this year of GOP Senators Dwight Griswold and Hugh Butler.

The feature race is for the regular 6-year term starting next January, when Griswold's term would have expired. Gov. Crosby and Rep. Carl T. Curtis are in a field of seven seeking the GOP nomination.

Three Democrats are competing for their party's nomination to the 6-year term, though Nebraska normally is strongly Republican.

A total of 31 candidates—24 Republicans and 7 Democrats—are entered in the Senate contests. The present Nebraska senators, serving by appointment, are not seeking election.

The other Senate posts to be filled in November are for the last

primary fights. Balloting is expected to follow the pattern of previous years, with a turnout of up to 225,000 voters, by Secretary of State Frank Marsh.

## What every good cook knows:

Just a little difference in ingredients makes a big difference in cooking results

Snowdrift is just a little lighter than any other shortening—and that can make the big difference in giving your family lighter, more digestible foods.

Snowdrift is pre-whipped just a little longer than ordinary shortenings. That can make the big difference in quicker, and better blending for perfect texture every time.

Snowdrift's ingredients are just a little costlier than any other solid shortening (yet you pay no more). That can make the big difference in better tasting foods, whether baked or fried.

No other shortening at any price is so creamy, so digestible — and so light!

## Look at the 3-way bonus you get in the car that's sweeping the nation!

1. You get the car that's styled for tomorrow —
2. You get the car that's a sure high resale value
3. You get a bigger allowance from our volume business

Of this you can be sure: the new Buick you buy today will look modern next year, too—because that broad panoramic windshield will be appearing on other cars as a 1955 feature. So with the new Buick you buy now, you'll stay right up in the style parade for years to come—and command a higher resale price when you trade it in.

Regardless of price class, Buick today is outselling all other cars in America except two of the "low-price three." That's fact. So with this tremendous sales volume, we can offer you a higher trade-in allowance when you buy a new Buick. Come in, see and drive Buick the beautiful buy. Then see for yourself how our volume business means a far bigger allowance for you.
