DEMONSTRATION
SEOUL (AP) - Fifty Korean War veterans staged an hour-long sit-down demonstration against Czech and Polish members of the Neutral Nations Supervisory Commission Friday near the Communists compound in Kangnung on the east coast. There was no violence.

THE NEW DOME LOUNGE CAR of the Southern Pacific put in an appearance here recently when it made a trip both ways, pausing in Klamath for the prescribed stop. The big car, (it holds 64 passengers), is only 20 inches higher than an ordinary car, is terraced on two levels, with a cocktail bar in the lower level, and is done in the Chinese motif, with leaves from all over China used in the glass panels. Fully air conditioned, the car is currently making runs along SP's lines testing customer reaction. The new car was built in the SP's Sacramento shops.

Ike's Cabinet Visit Resort

THURMONT, Md. (AP) - President Eisenhower plays host to members of his cabinet today at his secluded lodge here in the Catoctin Mountains. The cabinet officers were scheduled to arrive from Washington, 65 miles to the south, late in the morning to meet with the chief executive for a brief business session. The rest of the day was given over to recreation at the President's Camp David retreat, where he often spends weekends. In announcing plans for the informal outing at his new conference Wednesday, Eisenhower said there would be swimming in the camp pool for those who wanted a dip. There also is a spacious patio for those who like to play bridge and the countryside to roam for those who enjoy a hike.

Langell Soil Contest Told

Langell Valley soil conservation district has entered the national Soil Conservation Awards program sponsored by the Goodyear Tire & Rubber Co. of Akron, Ohio, it was announced today by District Chairman Lloyd Gift, of Bonanza. Members of Langell Valley district will compete against other soil conservation districts in the state. Non-partisan judging committees, selected from Oregon's outstanding exponents of the soil conservation movement, will determine the state's outstanding district for the period May 1, 1954 and April 30, 1955 on a basis of total points scored in performance of regular district duties. Grand award for one member of each winning district governing body and the top cooperating farmer or rancher awarded are listed in the bulletin. Tips which simplify installation of rubber tubing on chain links are also given. Auto insurance rates were reduced at Hans Norland's without reducing the quality of the coverage. 627 Pine St.

Spud Handling Methods Told

Effective methods of reducing loss from mechanical damage to potatoes are discussed in an Idaho Experiment Station bulletin available at the Klamath County Agent's office. Twelve steps which may be taken to reduce harvest damage are listed and six steps to reduce damage while binning the crop are shown. Speeds of draper and conveyor chains are also discussed. Each point in the harvest and storage operation at which serious mechanical damage occurs is listed in the bulletin. Tips which simplify installation of rubber tubing on chain links are also given. Auto insurance rates were reduced at Hans Norland's without reducing the quality of the coverage. 627 Pine St.

Police Hunt Five Escaped Prisoners

NORFOLK, Mass. (AP) - Five dangerous convicts who broke out of the state prison colony last night after overpowering six guards and taking one of them as hostage successfully eluded a manhunt today. Police departments in key New England cities were warned by Massachusetts state police that at least one escapee has a gun and that all five are dangerous.

Benson Tells New Rulings

TULELAKE - Secretary of Agriculture Ezra T. Benson has announced changes in regulations governing the election, qualifications and duties of county and community agricultural stabilization and conservation committees, states Farm Adviser Ken Baghott. Major changes would: 1. Create county and community election boards which would conduct the annual elections of committees. 2. Limit to three the number of consecutive terms a farmer may serve as a county or community committee member, except that where all three members of the county committee have already served three consecutive terms one member shall be eligible for election to one additional term. 3. Prohibit county committees from acting: (a) as sales agents or employees of the Federal Crop Insurance Corporation; (b) marketing quota review committees and (c) as employees of their own county offices.

Police Hunt Five Escaped Prisoners

NORFOLK, Mass. (AP) - Five dangerous convicts who broke out of the state prison colony last night after overpowering six guards and taking one of them as hostage successfully eluded a manhunt today. Police departments in key New England cities were warned by Massachusetts state police that at least one escapee has a gun and that all five are dangerous. This was the second break for four of the men in the last three months. The convicts were said to have taken as hostage prison guard Walter F. De Adder, 39, of Lawrence. The men were identified as: James L. Schwarm, 37, of Malden, serving 6 to 8 years for robbery. William J. Couture, 40, of Taunton, serving 14 to 17 years for the 1942 holdup shooting of a Boston storekeeper. Martin J. Feeney, 38, of Boston, serving 12 to 15 years for a 1949 Belmont bank robbery that netted \$5,710. Richard Lavoie, 40, of Woonsocket, R.I., serving 12 to 15 years for shooting a policeman during a drug store holdup in Watertown. The men boldly walked out of the prison's main gate at 10:20 p.m. last night under circumstances described as follows by prison authorities: Halliday, locked in his cell, created a disturbance which attracted the attention of guard Ralph Haley. Unable to quiet Halliday, Haley called guards Joseph Rivet and Donald Langdon to take him to the security building. When the two guards opened his cell door Halliday whipped out a revolver and ordered Rivet and Langdon to walk in front of him. Using them as a shield, Halliday got the guard in the tower to lower his machinegun and open the gates to the receiving room. Then Halliday ordered the two guards to disrobe and open the electrical controlled doors to the 39 cells in the block. Halliday then was joined by the
