Klamath 8 and 40

Klamath Salon 255, 8 and 40 held a special meeting August 4 at the VFW Memorial Hall. Interesting reports on the Gooch Bay Convention in July were given by delegates Julia Williams, Naomi Kurtz, May Rudd, Irene Young and Martha McCollum. Delegates at large were Lillian Otterbein and Fannie Mae Thompson. Three of the members in Klamath Salon 355 have acquired department offices. Lillian Otterbein, department constitution and by-laws; Martha McCollum, department finance chairman; and Fannie Mae Thompson, department historian. Another honor for the local salon was given Katherine Kapp, whose local salon history won first prize in the state. This history book will be sent to the national convention to compete with the history books entered from each state. The annual picnic will be at the home of Dr. and Mrs. M. E. Cooper, 1902 Melrose, 8 and 40, August 15 at 5 p.m. Husbands will be guests. The next regular meeting will be September 29, at which time the newly elected officers will be installed. At the close of the meeting a tasty lunch was served by Naomi Kurtz and Doris Bateman, hostesses.

REFLECTIONS FROM
CORRECTION!! That fabulous young fisher-temme I referred to last week—Viki Ray—g-dr of Ruth 'Gone Fishin' Adams—was reported as NINE—WELL!—by the time she's nine—Field and Stream—Outdoor Life—Gokey's sporting goods catalog (what a book) and every other fishing-wise mag will be after her to join the staff—because at the rate she's going at SEVEN—in two years she'll be an expert—Of course it COULD be—beginner's luck—but I've a sneaking hunch she's got the TOUCH!

SPEAKING OF GOKEY'S—reminds me of Gokey's—and now that we've had our two weekends of summer (let's not get greedy—after all you can fly from here to a 70 degree year-round climate in no time at all)—and winter is breathing down our necks—it might interest the unenlightened to know that Gokeys have for sale—and illustrated—too in last year's catalog—some REAL George longies in the cashmere—no scratch—no itch—no sag—comes in 2 pieces at the bargain price of something like \$39.99 each—complete with barn-door—no extra charge.

LARRY SITKIN—who lived in KP during the early 1940's—when his mother Rose Ann Sitkin (wom-an's furrier) had business interests here—and before Larry reported to Uncle Sam for a dreary four year stint—interlude in his un-tilted and hectic life—was in town this week with something besides years added since he left KP—had with him his personable and sprightly wife Helga—has been married a year—and wanted her to meet some KP friends—He was having a rough go trying to find even traces of friends he made while living here—It was a soul-shaking thing to realize the terrific turnover in the 12 years since living here—it's hard to accept that so many are either dead or "just gone."— anyway we asked about Rose Ann—to pass any information along to those who from time to time wonder how she's doing—n WHAT Incidentally Helga seemed to be equipped with a know-how of newspaper routine—deadlines etc.—and it came out that she had been in radio and TV advertising—in Minneapolis—or maybe it was Chicago—however—back to Larry—he DID find "Mac" McDonald and still at the old H&N stand in advertising—and me (unexpectedly to L.) at the H&N too.

THEY COULD BE . . . "wishing on a star" . . . but are probably looking at the photographer's "birdie." Diane, who was seven July 25, is a second grader at Pelican School; and brother Michael (Mike), is 19 months. Their parents are Mr. and Mrs. Nello Pieruccini, 3628 Lakeport. Maternal grandparents, Mr. and Mrs. O. C. Giovannini live at the same address; paternal grandparents, Mr. and Mrs. A. Pieruccini, live at McCloud. — Photo by Miller-Williams
